U. M. R.

One look is worth more than a hundred re-
ports, according to a Japanese proverb. This
piece of wisdom fits a yearbook well. The 1990
volume of the ROLLAMO includes over 1,000
photographs. Each photo captures a moment
in time at the University of Missouri-Rolla. The
1990 ROLLAMO takes a closer look at these
moments in the lives of the 5,000 students of
U. M. R.

Take a Closer Look at **Students**

The student body of the University of Missouri-Rolla is an unusual group. Far over half of the 5,000 students are male. This alone helps to make U.M.R. unique. Another factor that contributes to U.M.R.'s uniqueness is the large number of international students. During the winter 1990 semester, there were 480 international students enrolled. Currently, most of the international students are from Taiwan, India, China, Malaysia and the Republic of Korea. The varied cultures and traditions of such a diverse student body make the campus community distinctly different.

Relaxing

Rest and relaxation. It is a necessary part of any college student's life. Whether it's a short study break or a long-planned event, U.M.R. students find many ways to relax. Many students participate in recreational activities sponsored by campus organizations, or they may attend lectures, movies and a variety of other events hosted by the Student Union Board.

Take A Closer Look at Athletics

The University of Missouri-Rolla offers a variety of men's and women's athletics. The Miners compete at the intercollegiate level in baseball, basketball, cross country, football, golf, rifle, soccer, softball, swimming, tennis and track. U.M.R. students also participate in a strong intramural program which the University plans to enhance in the future with expanded facilities for intramurals.

Take a Closer Look at

FACULTY

Without its faculty, the University of Missouri-Rolla could not be the educational institution that it is. The faculty at U.M.R. have expertise in a wide variety of fields. They share their knowledge and experience from studies and research with the students of U.M.R.

Professor Ridley studies in his office.

Take a Closer Look at

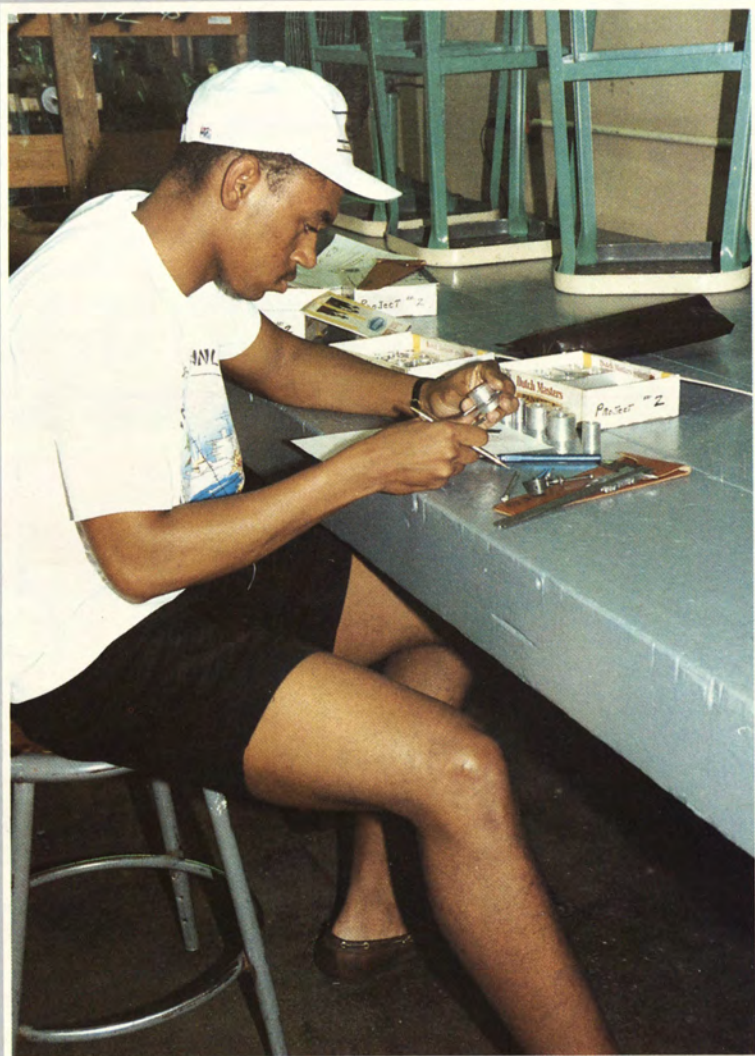

Studying

Studying. It is something that all college students must do. Most U.M.R. students will spend more than 2,000 hours in class before they graduate. If each student follows the rule of thumb of spending two hours outside class studying for every hour spent in class, a college student spends over 4,000 hours studying.

Some of the most popular computer labs on campus are those with Macintosh computers. Chris Hawking and Min Yu Liao work in the lab in the Math-Computer Science Building.

Classroom of the Future

The new IBM Advanced Technology Classroom was unveiled on December 12, 1989. UMR's ATC is the most sophisticated classroom of this type in an academic setting anywhere in the world. The unveiling began with a class lesson led by Dr. Madison Daily, UMR Assistant Professor of Engineering Management. Governor John Ashcroft was also present for the unveiling.

The ATC is a computerized electronic classroom of the future. It enables an instructor to display a question on an electronic blackboard at any time during a class. Each student in the class can then answer the question by means of an individual keypad response system.

Daily commented that with this equipment an instructor can cover 25 percent more material. Daily also mentioned that in the future UMR plans to use the ATC to originate courses and, using satellite technology, make them available to other higher educational institutions through the National Technological University. The ATC is a joint study project of IBM and UMR.

Gone from Tianamen Square are the pro-democracy banners and the tents of China's freedom movement, the armed guards and the chants of drilling soldiers. The Goddess of Democracy, a 33-foot-high replica of the Statue of Liberty which had become a symbol of the movement for democratic reform, has been crushed by tanks and taken away. The pro-democracy protests began on April 15, 1989 with a call by students for talks on increasing social freedoms and ending official corruption. They peaked during the week of May 15, when Gorbachev visited the country, and nearly one million people poured into the streets. Martial law was declared on May 20, 1989 and troops attempted to move into the square but were driven back by masses of citizens sympathetic to the protesters. On June 3, 1989 troops opened fire on the protesters, smashing through barricades with tanks to reach Tianamen Square. While the government claims that nearly 300 people, mostly soldiers, were killed, diplomats and Chinese say up to 3,000 died, and Chinese Red Cross officials estimate 3,600 people were killed and 60,000 injured.

Miss Missouri Debbye Turner, a mirimba-playing veterinary student from the University of Missouri-Columbia, was crowned Miss America 1990 in September.

WORLD NEWS

Leaving a trail of death and destruction across the Caribbean, Hurricane Hugo smashed into the coastal city of Charleston, South Carolina on September 22, 1989. Hugo's 135-mile-an-hour winds snapped power lines, toppled trees and flooded the low-lying areas of South Carolina, causing more than half a million people to flee and leaving thousands homeless.

More than 50,000 people gave President Bush a hero's welcome at the worker's monument where Solidarity was born in a wave of labor upheaval. Bush told the cheering crowd that their struggle had produced "a time when dreams can live again" in the democratic transformation of Poland. Earlier in the day Lech Walesa hosted a homestyle private lunch for the president and raised the possibility of even more aid to Poland by Western nations than the \$115 million previously announced by Bush. Solidarity argues that the help is needed to ensure that public unrest does not upset the delicate progress toward democracy. But it agrees any aid should have tight controls on it, so it is not wasted as it was in the past.

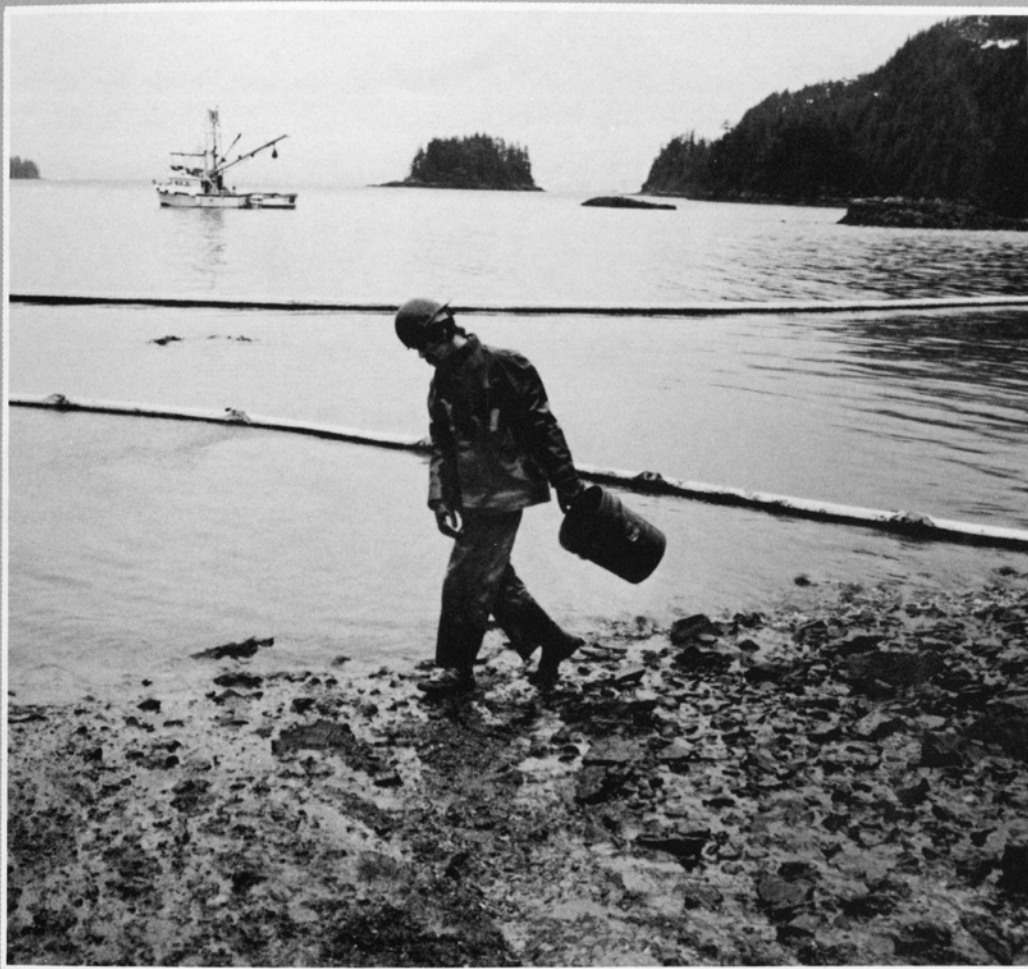

Millie, the First Family's springer spaniel, gave birth to four puppies on St. Patrick's Day 1989 at the White House beauty parlor.

WORLD NEWS

A fiery explosion in a giant gun turret rocked the refitted battleship, U.S.S. Iowa, killing 47 sailors and injuring many others. The explosion occurred on April 19, 1989, in one of the battleship's three 16-inch gun turrets as the ship was taking part in a gunnery exercise about 330 miles northeast of Puerto Rico.

Voyager capped its historic 4.43-billion-mile, 12-year tour of four planets when it skimmed 3,048 miles over Neptune's north pole in August, then dove past Triton, the planet's largest moon. It made its closest approach about 23,900 miles above the moon's surface at 2:10 a.m. on August 25, 1989. Voyager went along a curving path that took it from Earth in 1977, past Jupiter in 1979, Saturn in 1981 and Uranus in 1986, and now past Neptune in search of the edge of the solar system.

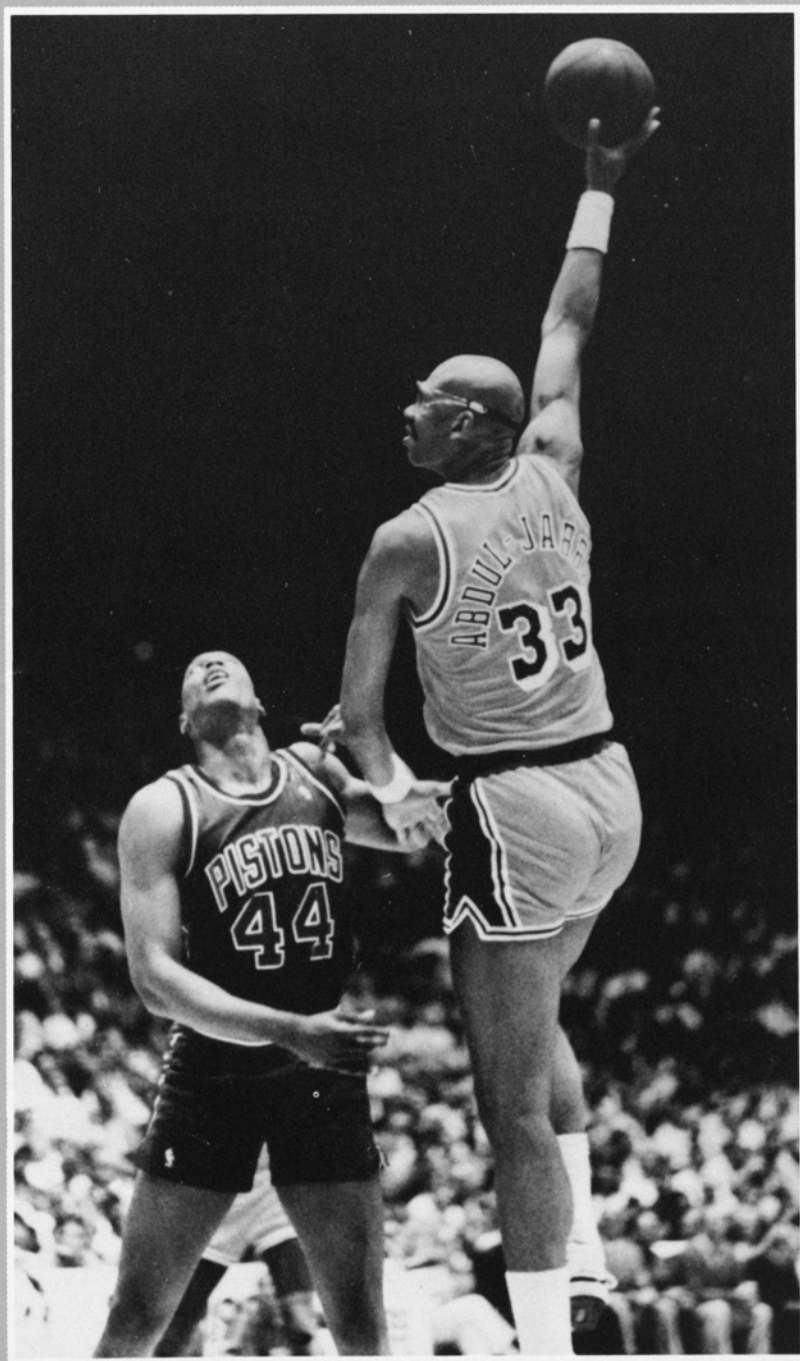

The Exxon Valdez, a 987-foot tanker owned by Exxon Shipping Co., struck Bligh Reef about 25 miles from Valdez, Alaska, ripping holes in the tanker's hull and gushing millions of gallons of thick crude oil into pristine Prince William Sound. The result was the largest oil spill in U. S. history. Thousands of workers have helped scrub the oil-fouled shorelines, but as one environmental disaster consultant said, "A spill of this size in such a complex environment promises to be a cleanup nightmare." Exxon has pulled out its cleanup crews for the winter, and the state announced its own plan to protect fish hatcheries and those still untainted areas.

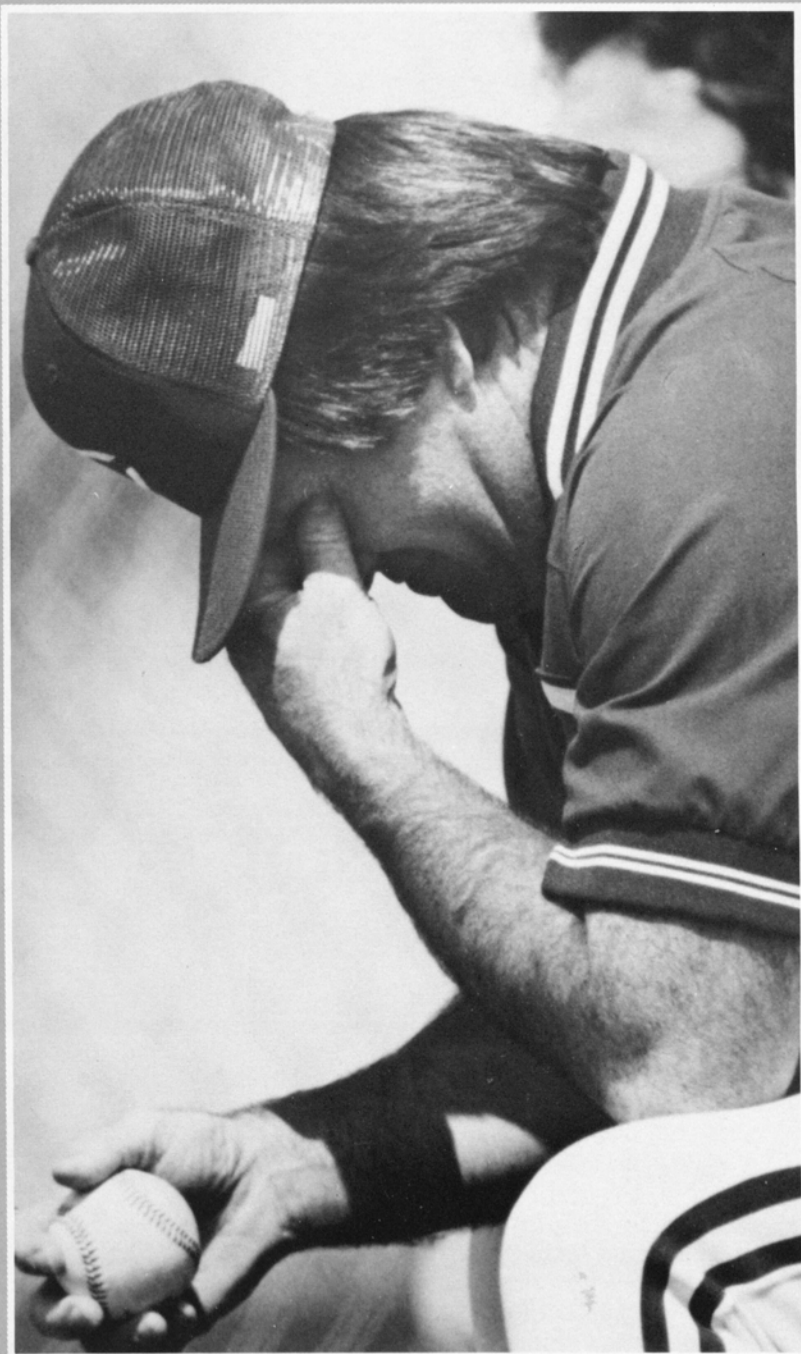

WORLD NEWS

United Airlines pilot, Captain Al Haynes, declared "there is no hero" in the fiery DC-10 crash of flight 232 in July 1989. Of the 296 people aboard, there were 185 survivors. Aviation experts have credited Haynes with keeping the craft aloft until he reached the airport, where hundreds of emergency workers were waiting.

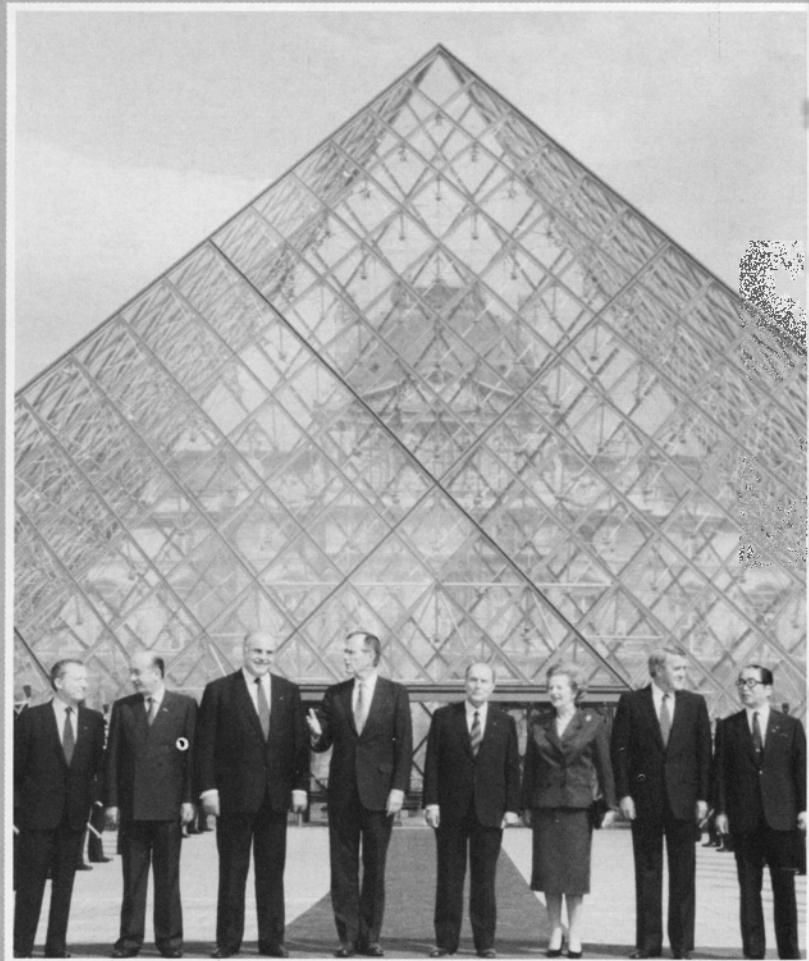

On June 13, 1989 Kareem Abdul-Jabbar gave his last performance. At age 42, the oldest player in National Basketball Association history retired.

Cincinnati Reds Manager Pete Rose, one of the greatest players in the history of baseball, has been banned for life from the game for betting on his own team.

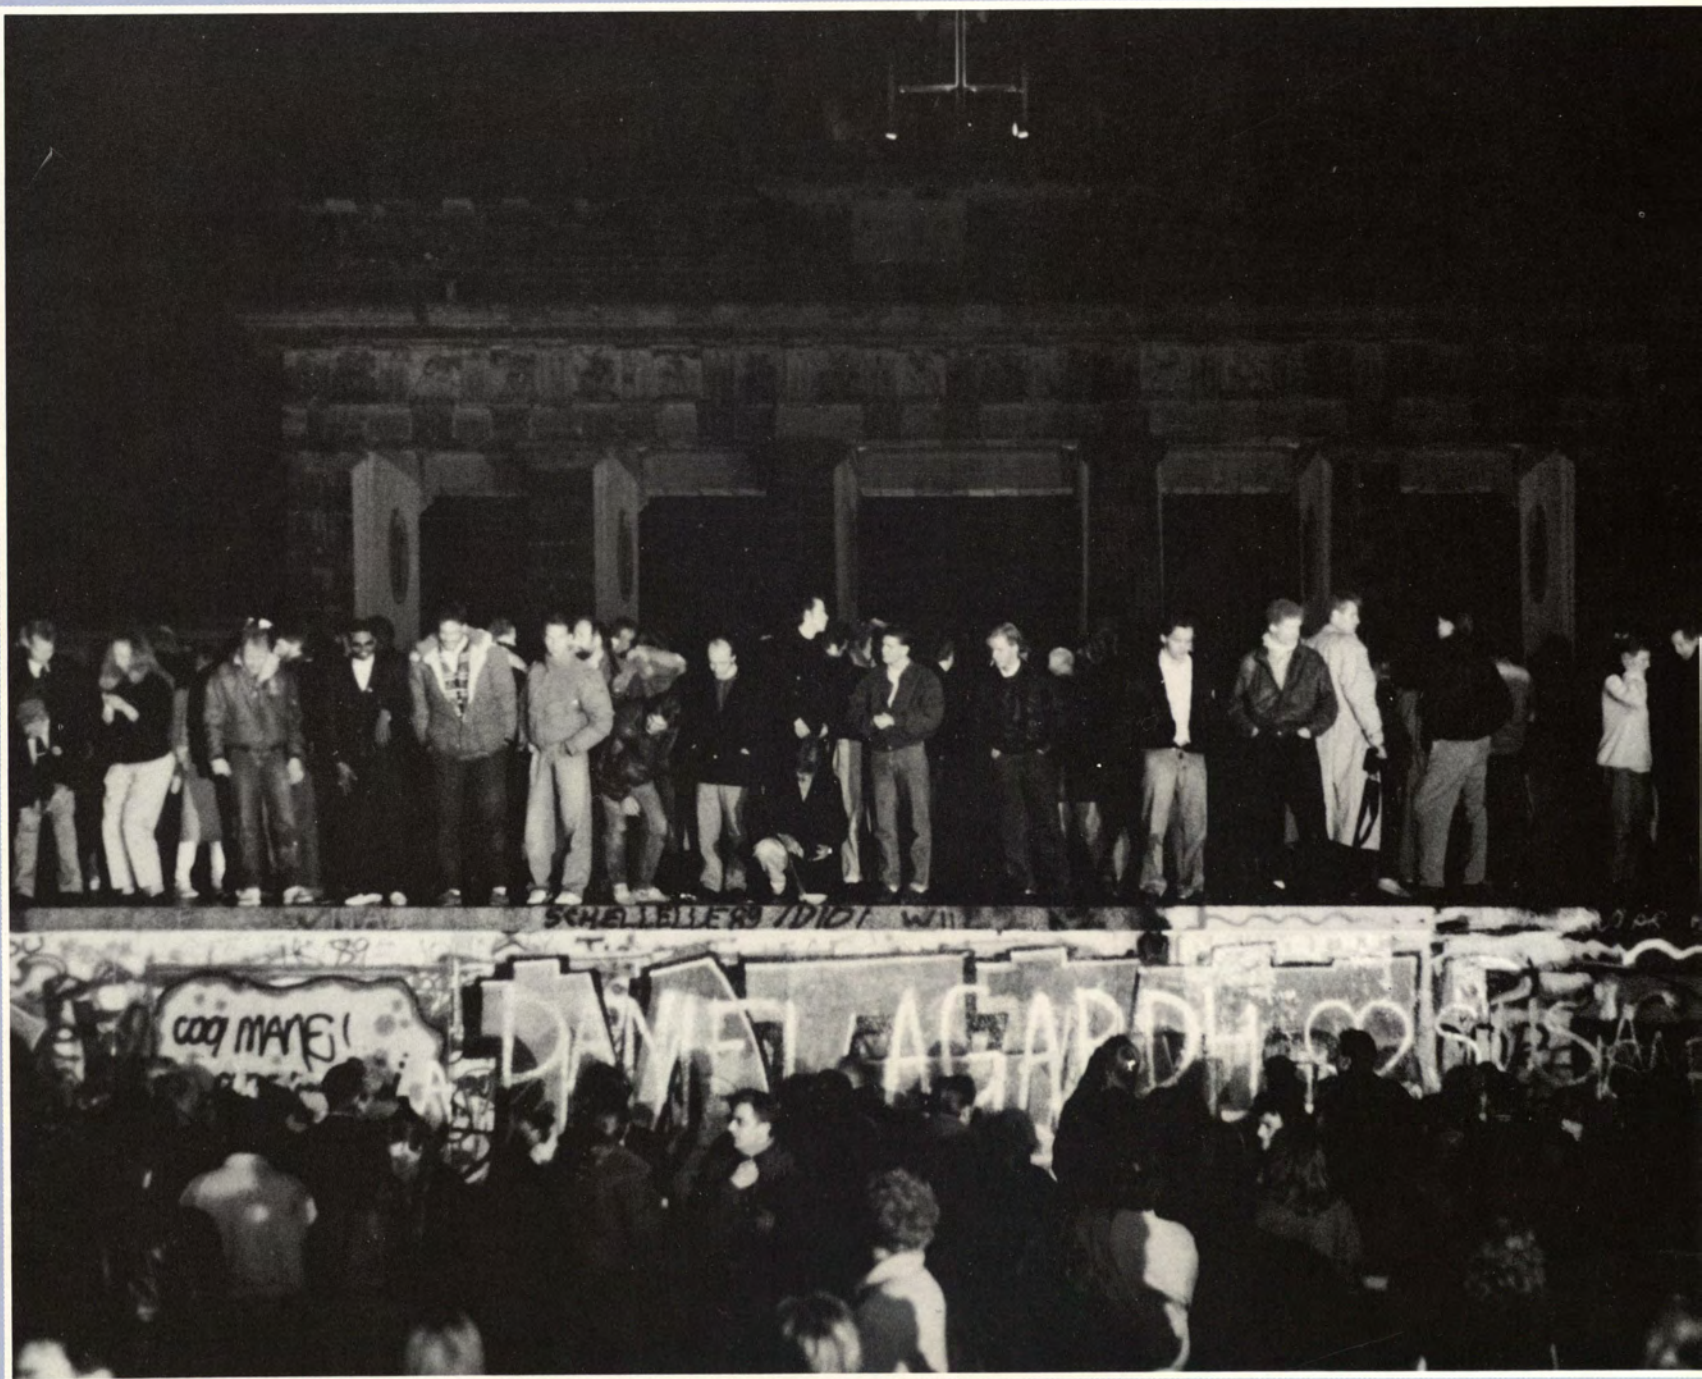

WORLD NEWS

Leaders of seven Western nations gathered in front of the Louvre Pyramid for the opening session of the Economic Summit in Paris during July 1989. They are European Economic Community President Jacques Delors, Italy's Ciriaco de Mita, West Germany's Helmut Kohl, President Bush, host French President Francois Mitterrand, Britain's Margaret Thatcher, Canada's Brian Mulroney and Japan's Sushiro Uno.

A catastrophic earthquake on the San Andreas Fault rocked Northern California on October 17, 1989, killing at least 62 people and injuring hundreds. The earthquake caved in bridges and freeways, ignited fires and caused widespread damage to buildings. The quake struck during the evening rush hour, just as Game 3 of the World Series was about to begin at Candlestick Park in San Francisco. Registering 6.9 on the Richter scale, it was the second deadliest quake in the nation's history, exceeded only by the 1906 San Francisco earthquake.

On November 9, 1989, East Germany lifted restrictions on emigration and travel to the West, and within hours thousands of Germans celebrated on and around the Berlin Wall. By midnight, thousands of East Germans had entered the western part of the city which had been inaccessible only hours before. The Berlin Wall, which has divided East and West Germany since 1961, has finally begun to crumble.

Homecoming 1989

The Farther Side of U. M. R.

Homecoming week, October 2 through 7, was full of activities for UMR students. The theme of UMR's 1989 Homecoming was "The Farther Side of UMR."

The week began with a banner competition Monday morning. Monday afternoon, the Pi Memorizing Contest, the first of the daily spirit games, was held at the Hockey Puck. Other games held during the week included the egg catapult, unusual instruments song, stupid engineering tricks, food eating contests, team Twister competition and Joe Miner Look-A-Like. There also was an ongoing scavenger hunt and a Far Side Character Competition.

In addition to these daily events, the Student Union Board sponsored a Homecoming Concert, which featured Thirty Eight Special. The week's festivities also included a Comedy Night, a bake-off, an ice cream social, parade, bonfire, queen competition and, of course, a football game versus Southeast Missouri.

Multi-Purpose Expansion and Sports Proposal To Cut or Not to Cut

The 1989-1990 school term began under a great cloud for the university's varsity soccer, tennis and rifle programs.

The UMR Athletic Department, which had been running a serious deficit for several years and had depleted its reserve fund, announced that the men's soccer team, the women's soccer team, the men's tennis team (the school has no women's team) and the rifle team would be dropped after the 1989-90 school year. The decision to end support for these

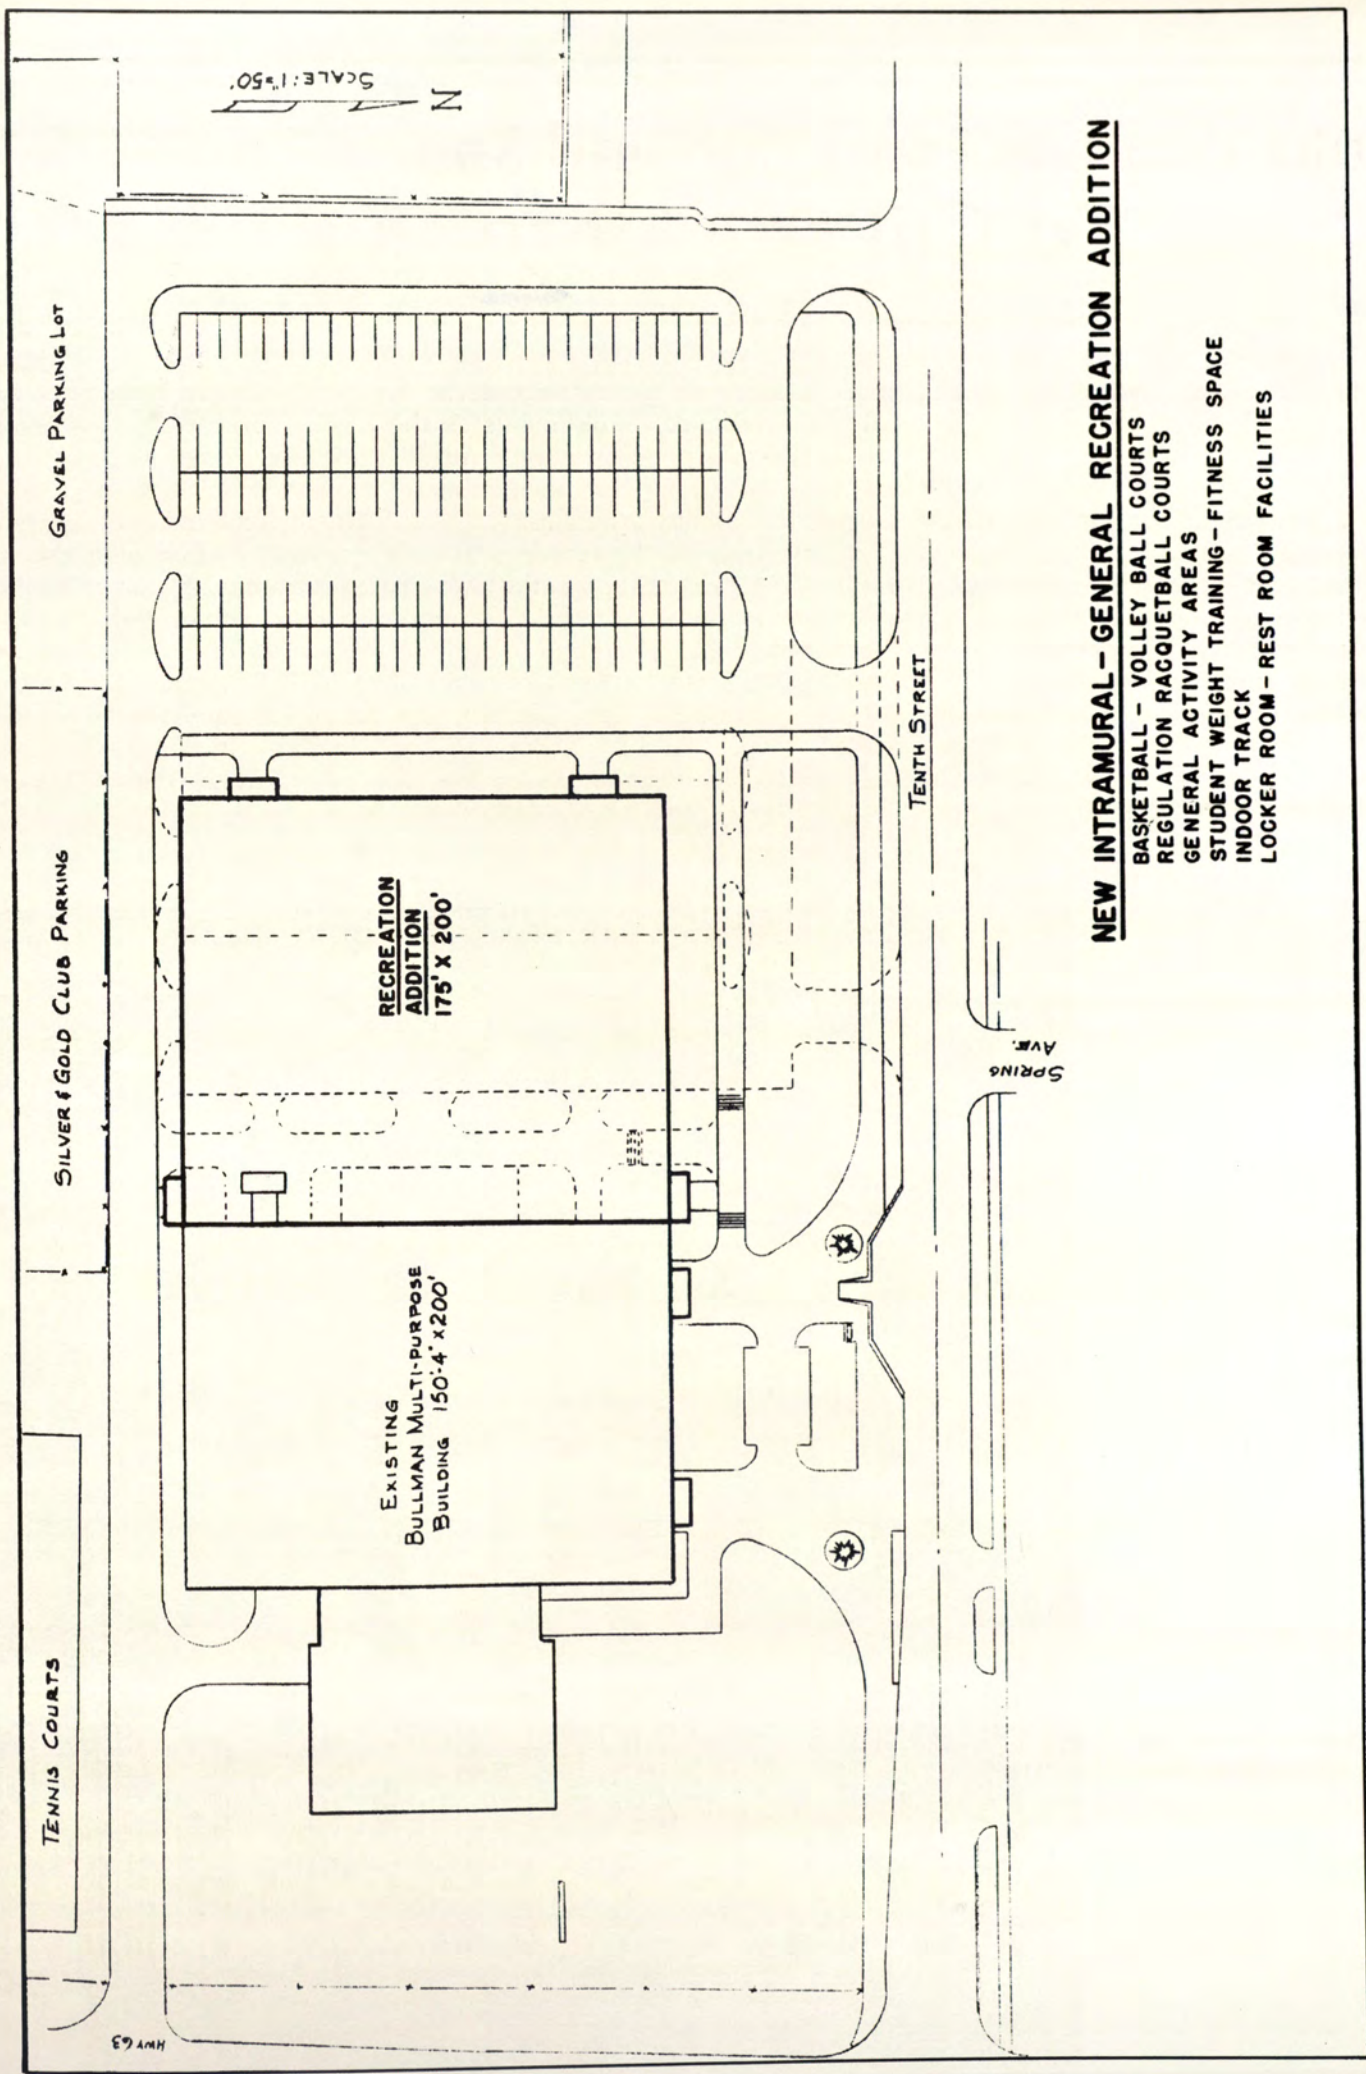

sports was based on three criteria: 1. MIAA Conference requirements; 2. the chronological order of addition to UMR's varsity program; and 3. the number of schools with similar programs.

Concerned by the future of UMR's varsity sports program and by the interests of the school's athletes, Student Council President Bob Phillips argued to preserve the targeted sports. Enlisting the aid of Athletic Director Billy Key and Chancellor Martin Jischke, Phillips encouraged the university administration to pursue all available means to support UMR's athletic programs.

Finally, on November 7, Chancellor Jischke prepared a final proposal, covering the many concerns and issues involved. In addition to supporting the university's full roster of varsity athletic programs, the Chancellor also included improvements in the school's intramural program and provided for the long-term expansion of the Gale Bullman Multi-Purpose Building. Funding for these proposals would come from increases in the Student Activity Fee and also from a restructuring of the Athletic Department.

Chancellor Martin Jischke addresses an open forum on his sports proposal.

Men's Cross Country

Developing Strength

For a team that was almost too young last year, UMR's Cross Country squad has developed into a well-rounded, consistent force. The squad was led by outstanding performances by Tim Bauer, returning after being injured most of the last season, and freshman Rob Vanderwall, who was named UMR's Outstanding Freshman in Cross Country.

Known in the **Missouri Miner** as the "Young Guns," the Men's Cross Country team raced to second place finishes in the SIUE Cross Country Classic and the Columbia Invitational, third in the Miner Invitational and ninth in the Great Lakes Regional. With these excelling performances behind them, Coach Dewey Allgood, is now looking forward to next year.

Women's Cross Country Building Speed

Rocked by the loss of four seniors last season, the UMR Women's Cross Country team experienced a down year in 1989. Without the solid core of experienced runners, Coach Sarah Preston's team looked toward seniors Debbie Klaus and Chrissy Adkisson for inspiration. Klaus did extremely well, consistently finishing first among UMR's entrants in major meets, while Adkisson started slowly but came on stronger and stronger throughout the season.

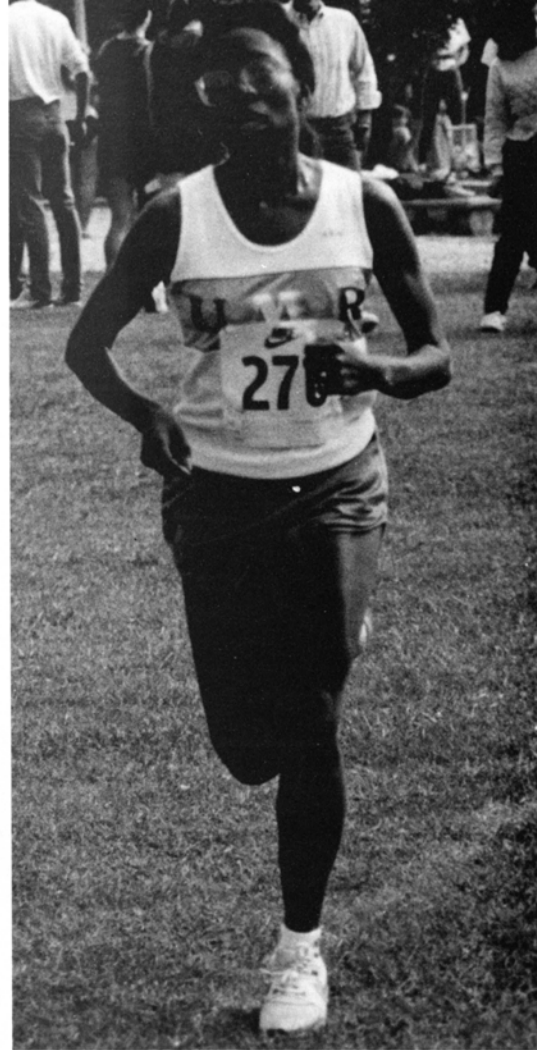

The Women's Cross Country squad is looking ahead to next season, despite the impending loss of another four seniors from this year's team. "Basically, it'll be another building year for us," observed Coach Preston, "we just hope to come back stronger."

Chrissy Adkisson holds her attention on maintaining her stride in the Miner Invitational.

Track and Field Going All-American

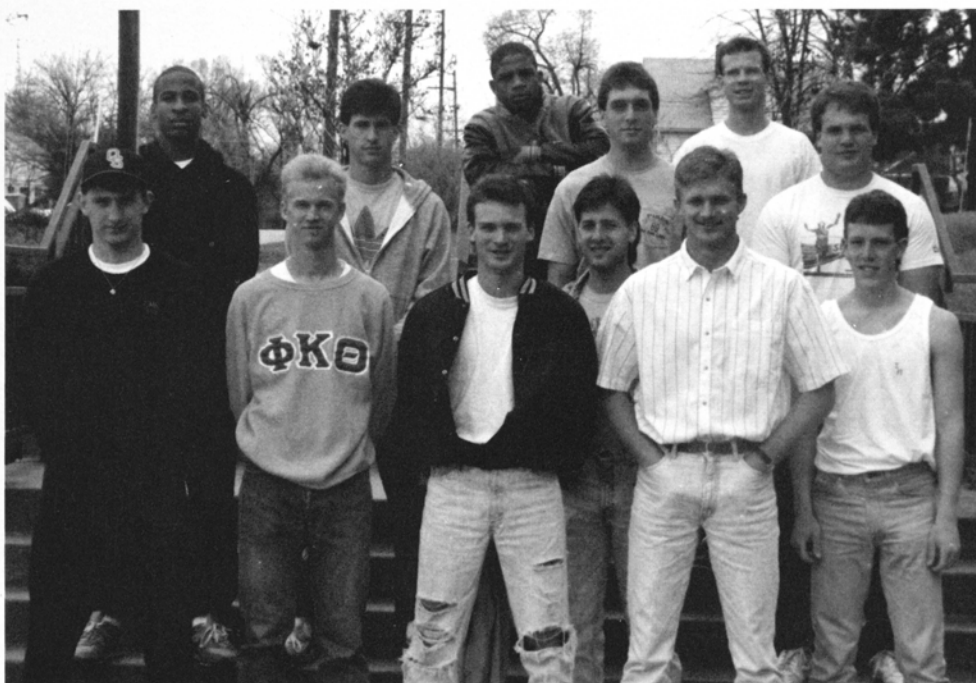

UMR's Men's Track and Field squad had a banner year, as three members of the team became NCAA Division II All-Americans. Ray Hawthorne, Scott Musgrave and Tyson Foster each received the honor by placing in the top six of Nationals in each of their events: Ray Hawthorne in long jump, Scott Musgrave in triple jump and Tyson Foster in pole vaulting.

Inspired by these outstanding achievements, the remainder of UMR's Track and Field squad challenged school records, with Casey Engstrom of Coach Sarah Preston's Women's Track and Field team going to Nationals for the javelin.

Driven by these exceptional performances, Dewey Allgood's track and field team can expect to be held to high expectations next season.

Jeff Hurt cuts loose in the long jump competition at the Southwest Missouri State track.

Men's Soccer

Forging Credentials

The Men's Soccer team began the season with a sense that it might be their last as a varsity level sport at UMR. With the University looking for places to cut funds, many of the players were concerned about the future of soccer at UMR. Nevertheless, the team put their best foot forward and tried to live up to pre-season expectations.

With twelve returning players, the Miners moved quickly to establish themselves as one of the top ten teams in the Midwest's Division II. Junior forward Steve Campbell and goalie Steve Temme delivered MVP level consistency in every game they played. The Miners ended the season with a mixed record, gaining respect every step of the way.

Women's Soccer

Staying Power

The women's soccer team began the season under the same cloud as the men's team: "Will this be the last season?" Threatened by the same budget cuts as the men's team, the Lady Miners determined to make the best of a difficult environment.

Seniors Sally Puhlick, Jean Gardiner and Lisa Tieber quickly proved their mettle on the field, combining to provide much of the Lady Miners offense, with Puhlick having another outstanding year. Freshmen Cynthia Peters and Jennifer Ryczek also demonstrated their talent on the field, helping give the team a solid base to build from in future years.

Although the Lady Miners had a disappointing season, they regardlessly showed the spirit needed to last through the worst of times.

Football

Year of Disappointment

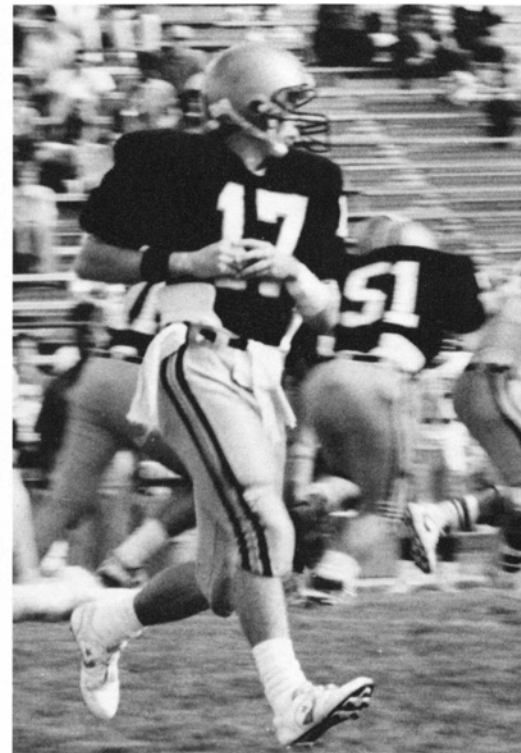

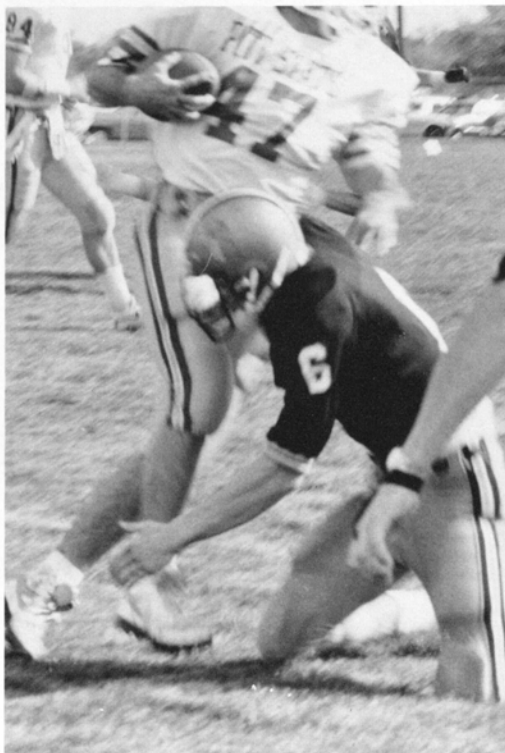

It was a disappointing year for Coach Charlie Finley's football Miners. Finishing the season with a record of one win to nine losses, the Miners were victimized all season by an unproductive offense, critical mistakes and aggressive opposition.

Throughout the season, the greatest strength of the Miners was the defensive line. The Miner defense had its greatest moment when it held the number one rushing offense of Northwest Missouri State to only one touchdown in the game on October 14. UMR's offense failed to produce however, and the game was lost by a score of 7-3.

The team's only victory came with the first game of the season, against MIAA newcomer Washburn University in Topeka, Kansas.

Men's Basketball

Steady Progress

When the Miner Basketball team enters a season, the players dream of making it all the way to the division championship. By the end of the season, this ambition is usually put aside until the next spring. History was made this year as the Miners moved progressively toward their goal, achieving a playoff bid for the MIAA for the first time. Though they dropped the game to SBU, 76-62, the Miner's proved they could be a returning force in the MIAA championship series.

In earning their 7-9 conference record, and 10-15 overall, Coach Dale Martin's Miners showed steady improvement over previous seasons. Although restrained by the loss of William McCauley and Eric Brooks to injuries, the court leadership of Tony Wofford, team MVP, and Chris Dawson sparked the Miners to their better finish in the tough MIAA competition.

Women's Basketball Winning Season

The 1990 season for the Lady Miner basketball team was a time for both individual achievement and for team performance. It marked the last year of play for outstanding senior Jen Cordes, who once again demonstrated All-American level play. Breaking the 30 point mark three times during the season, Cordes also surpassed the 20 point mark an additional seven times, not to mention leading the team in rebounds in nearly every single game. Cordes ended her UMR career with a total of 1397 points, breaking Tanya Hough's year old UMR record.

Coach Mary Ortelee's Lady Miners continued their winning ways from previous years, ending with a record of 17-10. With their winning spirit, the Lady Miners will do very well in the future.

Baseball

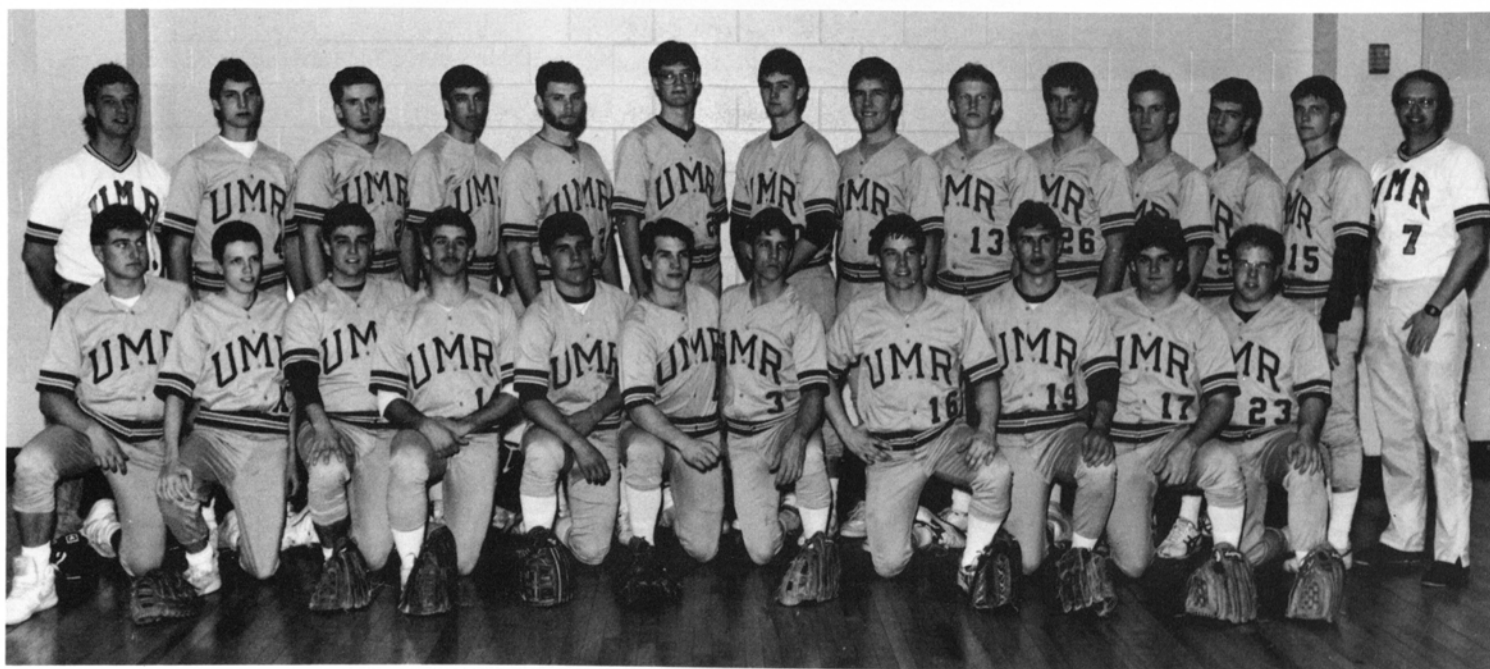

Mixed Season

The baseball Miners experienced a mixed season this year, made up of individual highlights and team disappointment.

Stung by the departure of Coach Gene Green, an excellent recruiting coach, the young team failed to catch fire under new coach Robert Boucher, who had previously only coached soccer at UMR. The Miners, by April 24, compiled a record of four wins to seventeen losses, finishing in the near bottom of all offensive and defensive categories in the MIAA.

The team's overall performance however is overshadowed by several players' individual achievements. Both Eric Able and Kevin Dry were among the MIAA's top ten in batting averages, with Able hitting .362 and Dry batting .361 for a sixth and eighth standing, respectively, in the league.

Softball

Gaining Confidence

1990 was a year of great improvement for the Lady Miner Softball team. Coming off a disappointing 20-21 record last year, the Lady Miners rebounded with a record of 22-10, finishing strongly in the MIAA Conference.

Junior Teresa Dickenson had an outstanding year at the plate, batting .385 and leading the team in nearly all offensive categories. Defensively, the Lady Miners could depend on the extraordinary pitching of Kristy Weber, who compiled a record of 15-2 with an E.R.A. of 1.32.

With a strong nucleus returning next year, Coach Tina Costello's Lady Miners can look forward to another winning season.

Tennis, Volleyball Club, Taekwondo Courting Victory

The 1990 Tennis team enjoyed one of its best seasons ever at UMR, finishing with a 7-7 record. Though it began the year as one of the varsity level sports marked for elimination due to budgetary pressures, the team was able to rebound with seniors Brian Berkstresser, Tim Kunkel and Tim Robinson along with team MVP, junior Jon Johnson, leading the way.

With the team's top three seniors not returning next year, Coach Tom Deffenbaugh can look forward to a year of developing younger talent.

Rugby

Getting Dirty

Mention intensity. Mention thrills. Mention mud. Combine the three for all the elements that go into UMR's Rugby club.

This year was marked by UMR's ruggers almost going all the way in each tournament they played, only to fall back disappointed in crucial games. Losing to the strongly talented Mizzou club in the Langenberg Tournament in St. Louis, after crushing the previous opposition, quenched UMR's bid for its sixth state championship title. Nevertheless, the Rugby team will always be ready to get down and dirty in future events.

Mudsoaked Mike Urigh forces an opposing player to boot the ball.

Rising to the occasion, a pair of UMR's ruggers seek to gain control of the ball.

UMR gangs up on an opposing ball-carrier.

The game gets extremely physical soon after it begins. *Photos by S. Johnson*

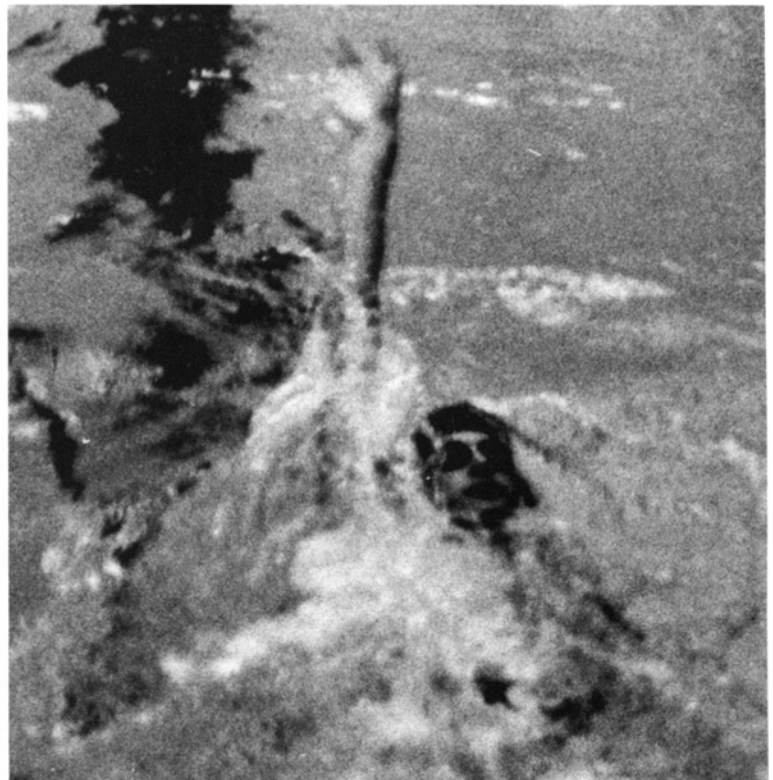

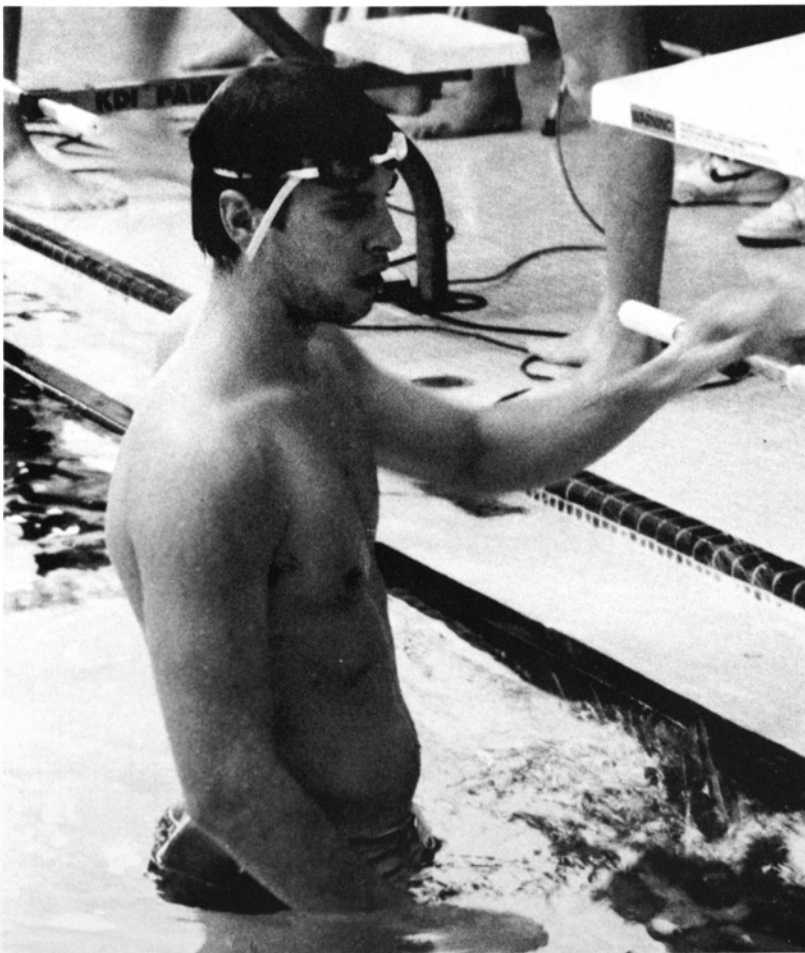

Swimming and Diving Making the Water Boil

Coach Mark Mullin's 1989-1990 swimming team churned up the water in competition this year. Both freestyle swimmers Jeff Kuta and Mark Cresswell put in excellent times to earn distinction as UMR's top contenders, with the other team members showing strong ability and continual improvement.

Water Polo

Swimming Hard

Coach Mark Mullin's Water Polo team swam off to an outstanding record of 10 wins to one loss this year, the result of the team's hard work and determination.

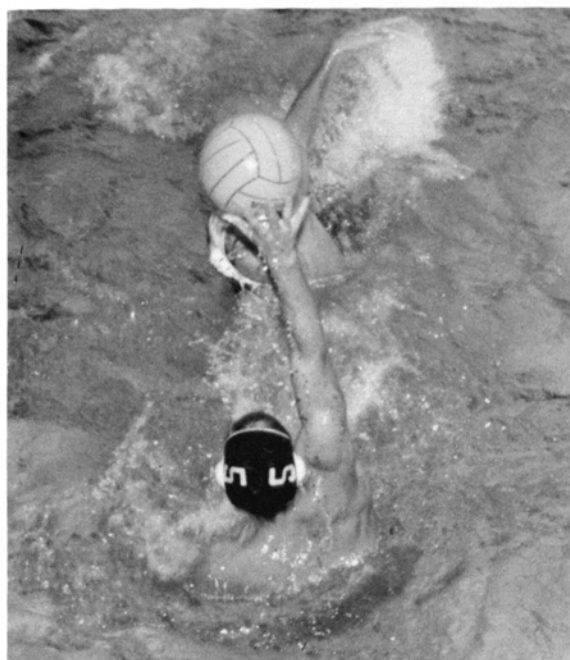

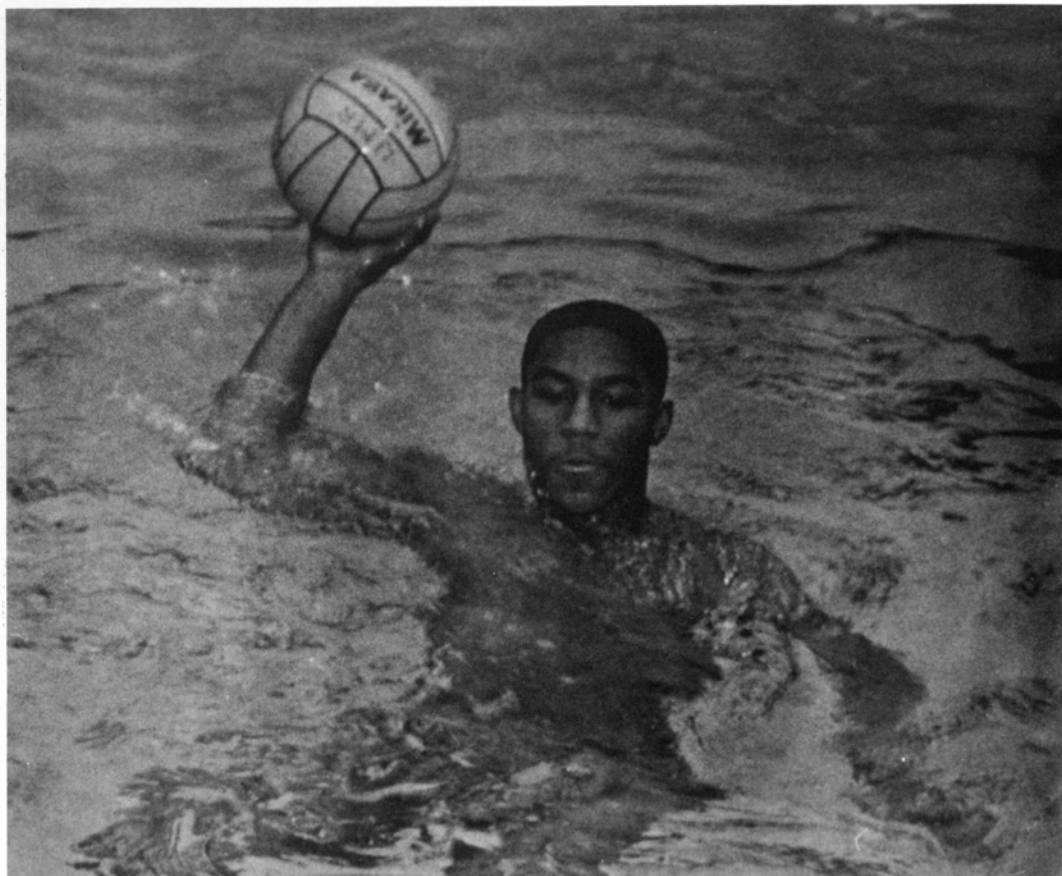

"They all did their part," Coach Mullin reflected, "it's hard to single out just one who stood out." Nevertheless, returning players Tim Streb and Rich Berger had remarkable performances this season, Streb in the difficult center position and Berger in most offensive roles.

Next year, UMR can look forward to another strong team with many of this year's players returning for another season.

Cheerleaders, M-Club Sideline Spirit

Boosting enthusiasm for school events is both a challenge and a pleasure for the members of the UMR Cheerleading Squad. Captained by Elsbeth Cook in the fall and by Debbie Walton in the spring, the cheerleaders performed at more games this year than ever before, expanding their schedule to include several of the Miners' away games for both football and basketball. Next year, the squad hopes to add even more games to their schedule.

The varsity athletes of M-Club also did their part to draw more support for the school's teams, holding several pre-game rallies throughout the year and improving spirit at the games.

AKAK

ACACIA

The Missouri School of Mines chapter of Acacia is proud to have started its fourth decade here at UMR. The men of Acacia had a great 1989-90 school year with many successful activities.

They competed in the St. Pat's Games and walked away with a first place trophy.

In addition, their Queen Candidate, Cindy Stover, was victorious in winning the St. Pat's Queen of Love and Beauty.

With both rush and scholarship going well, the brothers of Acacia hope to continue their successes for many more decades to come.

Alpha Epsilon Pi enjoyed social and academic success during the 1989-90 school year at UMR. In October, returning Alumni were treated to a third place finish in the UMR Homecoming competition. They ended the fall semester by initiating seven new brothers who finished third out of twenty-one in pledge class GPA.

The winter semester was equally successful for Alpha Epsilon Pi. They played a dominant role in the 1990 St. Pat's Games and built the first place St. Pat's Parade Float. They finished third in the overall competition.

Alpha Epsilon Pi's Little Sisters also had a successful year. With one of the largest pledge classes in several years, they were able to raise enough funds with their raffle to buy the house a new BBQ grill and a much needed new phone system.

With numerous campus organization officers and good rush prospects, the brothers of Alpha Epsilon Pi hope to fill their house next year and remain a capital of hospitality for Fraternity Row. ■

A Φ A

ALPHA PHI ALPHA

The Epsilon Pi chapter of Alpha Phi Alpha proudly celebrated twenty-five years of active involvement on the UMR campus during the 1989-90 school year.

Since their founding on April 27, 1965, the men of Alpha Phi Alpha have aspired to provide leadership and service to both the campus and the community. This was accomplished through many different activities, such as the Adopt-A-Highway program and the Dr. Martin Luther King Scholarship, which is a scholarship for minority students at UMR.

With their everlasting commitment to excellence, the brothers of Alpha Phi Alpha hope to continue to be very active members of the UMR community well into the next century. ■

B Σ Ψ

BETA SIGMA PSI

Eta Chapter of Beta Sigma Psi, the National Lutheran Fraternity here at UMR has had another busy year. Socially, it hosted the 2nd Annual Beta Benefit Bash for the American Cancer Society, the traditional Little Kings and Theta Tau Ugly Man parties, as well as many Night Caps and Dinner Exchanges with the sororities. St. Pat's was celebrated in fine spirits with a 3rd place cudgel and a 4th place overall finish. Once again, Beta Sig hosted the opening ceremonies and games for Greek Week 1990.

Athletically, Beta Sig took fourth place in football and soccer and finished the year strong by capturing the Division Two soft-

ball title.

Scholastically, Beta Sig earned the third highest fraternity GPA on campus for the fall semester and was once again above the all-men's GPA average.

At the beginning of the spring semester, many repairs and improvements were made to the house mainly due to extensive water damage incurred over the holiday break. The chapter plans to expand its membership through a strong, organized rush program which will undoubtedly further Beta Sig well into the 1990's and beyond. ■

Δ Σ Φ

DELTA SIGMA PHI

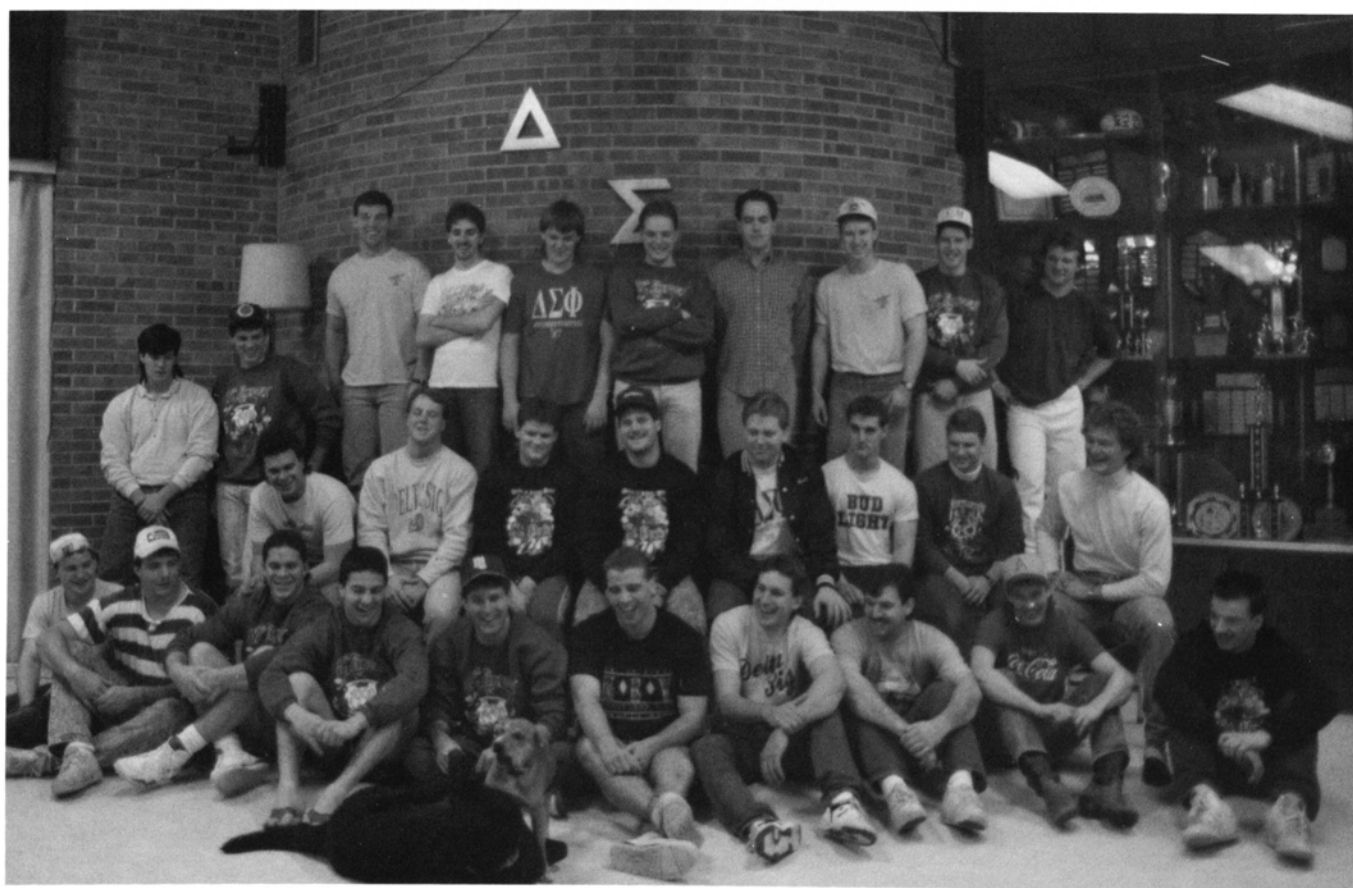

The Delta Epsilon Chapter of Delta Sigma Phi has had a busy and successful year. With the graduation of many members last year, a large rush has been underway this year as well as next.

Graduation has also hit Delta Sigma Phi hard this year. Their beloved mascot, Bingo, will not be back next fall. He will be greatly missed by all the brothers.

The members of Delta Sigma Phi have all been busy this year working on the

house. Many improvements, such as painting and new landscaping, were made around the house through several work weekends.

The fraternity had a great performance in Greek Week this year. With a late start, the members came together for a strong finish, including a first in the tug-of-war. This shows that Delta Sig will definitely be a strong fraternity to deal with in the future, not only in Greek Week, but campus wide as well. ■

DELTA TAU DELTA

The Epsilon Nu chapter of Delta Tau Delta Fraternity has had a busy year. The members of the UMR chapter worked hard on various service projects throughout the fall and spring semesters.

In particular, some members helped conduct an alcohol awareness program sponsored by the Delta Tau Delta Educational Foundation called DELTS. The program, which was held in January, included information about alcohol tolerance and alcohol related problems.

With all their successes this year, the members of Delta Tau Delta have high hopes for next year to be even more successful. ■

DELTA TAU DELTA: Members are: C. Bell, J. Goethe, T. Sovar, D. Spiller, J. Tinius, J. Winkler, C. Pulay, R. Brown, J. McDaniel, P. Mar, B. Braswell, J. Hill, T. Stelljes, K. Johnson, N. Gibler, M. King, F. Shick, N. Gibler.

K A

KAPPA ALPHA

The 1989-90 year was an exciting one for Kappa Alpha, as they witnessed the fruits of their hard work. Academically, socially, and philanthropically, the UMR chapter has reached several new plateaus.

In house, KA welcomed fourteen new brothers, received the honor of performing model initiation at the National Leadership Institute, and received several awards at Province Council.

With strong finishes in both St. Pat's and

Greek Week, KA once again continues its tradition of competition and excellence in campus activities.

By raising over \$3000 for MDA and participating in a number of community service projects, the men of KA continue to uphold the values of brotherhood and service to fellow man. ■

LAMBDA CHI ALPHA

The past year has been full of hard work and determination for the Alpha Delta Chapter of Lambda Chi Alpha as they strove for excellence.

Lambda Chi continued its strong tradition of community service by hosting the 28th Annual Chicken Benefit Dinner for the CP School and the Gingerbread House. In the spring, the Pantry Raid was held, which provided over 600 pounds of canned goods for the Rolla Nutritional Center.

Academics and intramurals were also on Lambda Chi's list of accomplishments in 1989. The brothers finished second overall in grades, with the associates finishing first.

They also made a fine showing in intramurals, placing in soccer, softball, track, and badminton.

Lambda Chi Alpha also had a full social calendar. Their Christmas, Valentine and St. Pat's parties were all big successes. They also partied during Greek Week, led by their IFC Senior rep, Eric Roddiger, who was honored as the Greek God Apollo.

Having Brother Mike Sellberg named as IFC Man of the Year topped off a great year for Lambda Chi. ■

Φ K Θ

PHI KAPPA THETA

Phi Kappa Theta had a great start for the 1989-90 school year. After an extremely successful rush program, Phi Kap had to acquire a new annex to make room for the 38 incoming freshmen.

The fall semester went very well for the members. In scholastics and intramurals, Phi Kaps remained very competitive.

They also demonstrated to the local community a giving spirit in their efforts with the Newman club haunted house, their annual Christmas party for the boys of Boy's Town and their garage sale for the benefit of Birthright.

Phi Kap was very proud to have entered the Queen's float in the St. Pat's Parade this year, following last year's winning float. With an excellent cudgel, St. Pat's went great.

With expectations of another solid rush, Phi Kaps are gearing up for another strong year of success and achievement. ■

PI KAPPA ALPHA

Pi Kappa Alpha began the 1989-90 school year finishing the extensive construction and renovations on their house.

The men of Pi Kappa Alpha constructed a very strong intramural team as well. With first place victories in racquetball, swimming, wrestling and bowling and second place victories in track and softball, Pi Kappa Alpha wrapped up the intramural season in first place overall.

Pi Kappa Alpha had a successful Homecoming topped off with the selection of

their Homecoming Queen candidate, Jennifer Llewellyn.

On the community service side, the brothers of Pi Kappa Alpha were able to collect the most money for local charities during the Greek Week Carnival. They accomplished this using their own version of Hollywood Squares.

With the new construction to their house, the members of Pi Kappa Alpha have high hopes for future successful years. ■

PI KAPPA PHI

The Gamma Lambda chapter of Pi Kappa Phi had an outstanding 1989-90 school year.

Since they were first chartered in 1968, the men of Pi Kappa Phi have dedicated their efforts towards being an active member of the UMR community.

They have upheld this tradition, through their many projects and accomplishments, which includes their national philanthropy PUSH. PUSH stands for Play Units for the Severely Handicapped.

With a past built on several successful years, Pi Kappa Phi hopes to remain a strong and vital part of UMR. ■

Courtesy of Sigma Chi

The end of the 1989-90 school year closed out a very exciting and rewarding year for the men of Sigma Chi.

Sigma Chi participated in the St. Pat's parade by building their first St. Pat's float since 1988.

In addition, service projects kept Sigma Chi very active all year. The second annual Derby Days sponsored by Sigma Chi brought many out to run and proceeds went to the Cleo Wallace Center, one of the few centers across the nation solely used for the treatment and rehabilitation of children who are learning-disabled or emotionally-disturbed. They helped to keep the highways clean through their Adopt-A-Highway program. They helped to distribute shipments of Girl Scout cookies to the different troops in the Rolla area. Also, they participated in Walk America. By their active involvement in these and other projects, the members of Sigma Chi wish to establish themselves as a fraternity dedicated to service. ■

Σ N

SIGMA NU

The brothers of Sigma Nu celebrated their first year in their new house with a year of accomplishments.

Their pursuit of excellence continued with Sigma Nu's soccer team, track team and cross country team capturing first place in intramurals, while the football team took second place. The pledge class won first place in Christmas house decorations as well.

St. Pat's 1990 was a special one for Sigma Nu as Brother Mike Cook was elected Master Guard and Brother Rusty Bucher was elected Vice President of the St. Pat's Board. During Greek Week, Brother Tim Breece was elected as Poseidon for IFC and Brother William Guenther was a finalist for IFC Man of the Year.

Sigma Nu is striving toward obtaining the prestigious Rock Chapter, a very high honor for a Sigma Nu Chapter. ■

SIGMA PHI EPSILON

The men of the Missouri Gamma Chapter of Sigma Phi Epsilon had much to be proud of during the 1989-90 school year.

The members of Sigma Phi Epsilon showed their continued strength in intramural sports with a fourth place finish overall for the year. Several individual efforts in golf and horseshoes brought the fraternity first place honors.

In the community service department, Sigma Phi Epsilon was once again outstanding. As they have done in the past, the brothers of Sigma Phi Epsilon helped to raise money for their adopted charity, the Rolla Cerebral Palsy School.

With many future accomplishments in the making, the men of Sigma Phi Epsilon will surely have many more success. ■

SIGMA PHI EPSILON: Members are: M. Steagall, D. Wyatt, D. Koester, T. Kertz, B. Satterthwaite, P. Halliday, E. Kozak, J. Schneider, N. Klukvin, B. Schneller, J. Chaudoir, J. Hoffmeister, A. Johns, A. Σ Π

SIGMA PI

The men of the Alpha Iota chapter of Sigma Pi had an outstanding 1989-90 school year with many accomplishments.

They began by initiating sixteen new members and pledging eight additional members. This brings the total number in their house to eighty-two making them the largest house on campus.

With their membership strong, Sigma Pi was able to participate in many community projects. In September, they raised more than \$6000 in their Multiple Sclerosis drive. In addition, they helped to keep their two mile stretch of I-44 clean through the Missouri Highway Department's Adopt-A-Highway program.

In competition, the brothers of Sigma Pi were also strong with second place finishes in both wrestling and Greek Sing.

Social events also shined for Sigma Pi. Formal dances, such as their annual Orchid Ball, were all great successes.

With the completion of a great year, Sigma Pi looks forward to many, many more. ■

SIGMA TAU GAMMA

The brothers of Sigma Tau Gamma had another great year. They have improved their grades each semester, while still enjoying many other activities.

During Homecoming, Septemberfest and St. Pat's, they enjoyed the return of many of their alumni.

Sig Tau placed second in the overall St. Pat's competition and they are looking for-

ward to winning first next year. After much practice, their sand volleyball team won the Greek Week competition.

After Greek Week, the members of Sig Tau relaxed in their makeshift hot tub and prepared for finals and looked forward to another great year. ■

T K E

TAU KAPPA EPSILON

The Beta Eta Chapter of Tau Kappa Epsilon had an exciting and productive 1989-90 school year.

The highlight of the year for the members of Tau Kappa Epsilon came during the St. Pat's festivities. For the third consecutive time, the men of TKE carried off the first place trophy in the overall St. Pat's competition, thus retiring the St. Pat's trophy.

To add to their St. Pat's accomplish-

ments, Tau Kappa Epsilon had the honor of having one of their own serve as St. Pat. Member David Bernhard, junior in engineering management, was selected for this prestigious position. David also had served the St. Pat's Board as president and float & parade chairman.

With such a great year behind them, the brothers of Tau Kappa Epsilon hope for an even better year in 1990-91. ■

THETA XI

The 1989-90 year was a busy and productive school year for the men of Theta Xi. Their participation and extra effort in extra-curricular activities paid off.

They earned second place overall in Homecoming, second place in soccer and second place in volleyball.

Theta Xi also donated much of their time and effort throughout the school year to charitable causes such as the Crop Walk and Multiple Sclerosis. They presently hold the traveling trophy for the most money earned during the Crop Walk and they raised over one thousand dollars for Multiple Sclerosis. ■

TRIANGLE

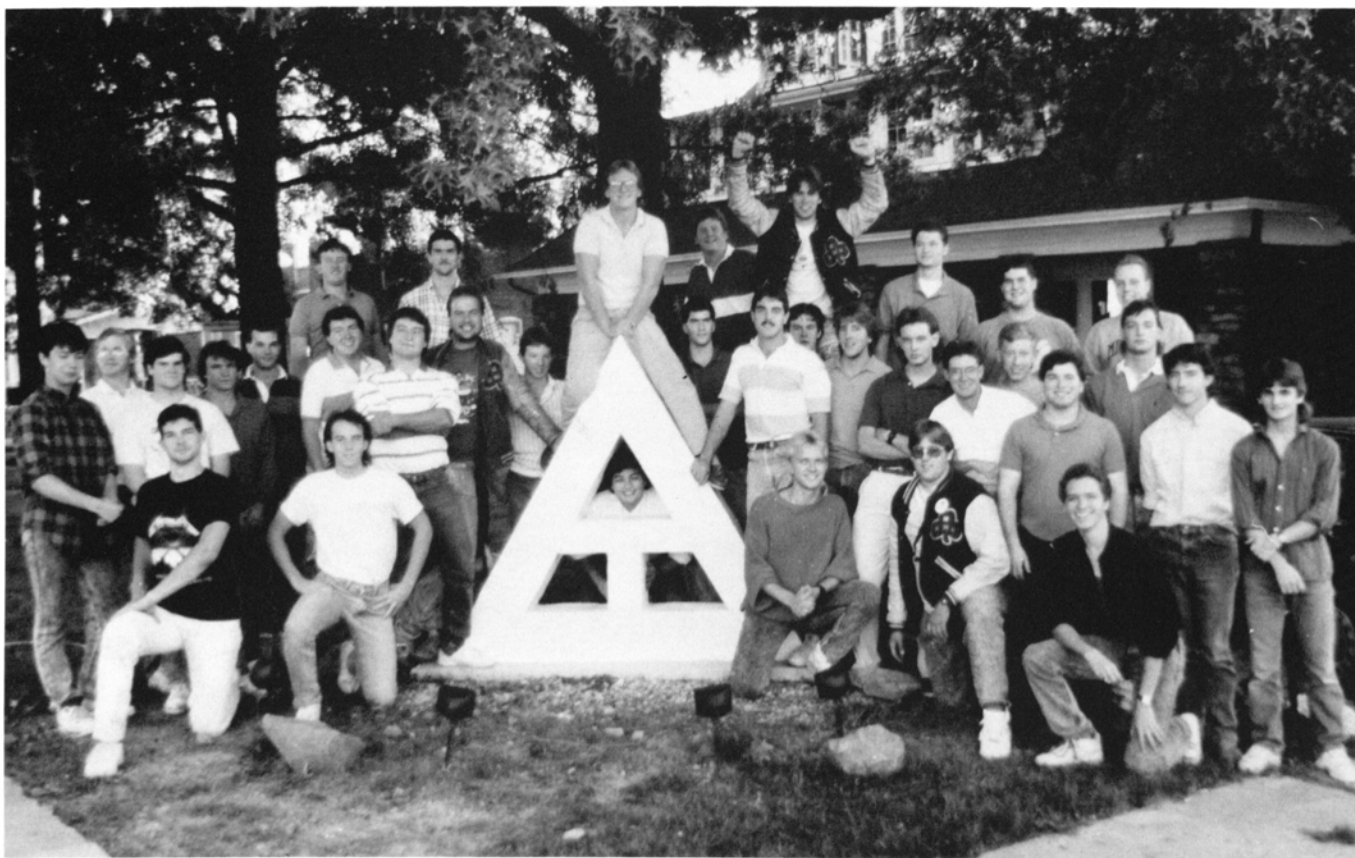

The year began with the men of Triangle making finishing touches to their new house. The Brothers worked hard to get the Old 'New' Rock House ready for their open house showing and house warming parties both held in October. During Homecoming their new home was officially christened by their alumni.

In November, they held their first fall formal since the fire. Triangle also received

2nd place for their "Christmas on Sesame Street" display.

In the spring, they placed in several St. Pat's events and held their Spring casual. As the year came to a close, Triangle held a Keg Wake Party for those looking for a study break during Dead Week.

Overall, Triangle enjoyed a successful year and looks forward to many more rewarding years ahead. ■

X Ω

CHI OMEGA

The ladies of Chi Omega have experienced much success this past 1989-90 school year. They proudly began the year with the initiation of 15 wonderful new members. Due to their third consecutive first place in St. Pat's, Chi Omega has retired the trophy. Their experimental cudgel was impressively well done. Chi Omega also earned first place in intramural basketball and volleyball. In addition to all this, Chi Omega was first in scholarship for the tenth semester in a row.

Chi Omega also had time for charity work. They participated with Kappa Alpha

in the second annual Beach Bowl for MPA. The ladies held their annual Easter and Halloween parties for the children at B. W. Robinson state school. They also participated with Panhellenic in the Toll Road for the local Rolla charities. Many Chi Omega's worked and gave blood at the Red Cross Blood Drives. Also Wyman Elementary School was helped at their carnival by the ladies.

With six pledges to be initiated, Chi Omega enthusiastically awaits the upcoming year. ■

KAPPA DELTA

Kappa Delta was teeming with activities during the 1989-90 year. They participated in intramurals, Homecoming, St. Pat's, Derby Days and Greek Week.

Their second annual Philanthropies, kidnapping of the president's and Shamrock project brought in all sorts of canned goods for L. O. V. E. and over \$500 for the prevention of child abuse.

Kappa Delta members also held several personal enrichment programs. They had topics on everything from car maintenance to self defense to resume writing.

The ladies of Kappa Delta look forward to many more successful years. ■

ZETA TAU ALPHA

The sisters of Zeta Tau Alpha once again returned to school in the fall with the Crown Chapter Award, the most prestigious award given to a chapter by their National. They started off the semester by reaching quota during formal rush and house total early in the semester.

The fall semester was a busy one with their pledge class raising a sizable amount of money which was donated to the California Earthquake Relief Fund and the first annual charity golf tournament sponsored by ZTA.

With the spring semester came six pledges and another wide variety of activities. The girls held service projects for local charities, placed second in St. Pat's, and worked toward a first place finish in Greek Week for the fifth year in a row.

The year ended with the chapter receiving honors in their province during the annual Zeta Day, which was held in Rolla this year. The chapter received the Outstanding Service Award and the Chapter Organization Award. ■

"But, I Just Live There!"

What do almost all freshmen at UMR have in common? They all live in residence halls! Most do more than just live there, they also get involved with one or more of the many activities, such as: intramural athletics, student government, floor committees, or residence hall government.

Floor communities in residence halls are governed by elected members of the floor. At Thomas Jefferson Hall (TJ) members are elected into offices of President, Vice-President, StuCo representative and food committee representative. At the Quadrangle (Quad) members are elected into offices of Governor, Lt. Governor, StuCo representative and food representative. These officers represent the floors on residence hall committees and in StuCo. They also organize floor parties and make sure their floor is involved in charity events, athletics and a variety of other events going on around campus.

Of course floor communities would not be like home without the resident assistants. Not only do resident assistants have responsibilities on their floors, but they are responsible for a large portion of the programs presented within the halls. Such programs this year were: "How do'ya handle the WILD THANG?" with the scandalous SEX BOWL; International Week; and a varied assortment of other topics ranging from paper airplanes to love, sex and dating.

Hall government is composed of three organizations: TJHA (Thomas Jefferson Hall Association) for TJ, RHA (Residence Hall Association) for the Quad, and IRC (Interresidence Council) which governs both TJHA and RHA. TJHA and RHA members are composed of the president/governor from the individual floors. TJHA and RHA hold meetings to discuss upcoming events both on their floors and

on campus. They plan the events and how to get people to them. The IRC is responsible for the funds given to TJHA and RHA for these events.

IRC is also involved with charity work and improvement of residence hall policies, as well as sponsoring many campus wide events. Among these are the Barn Dance/Bash, Snow Ball, Suitcase Dance (where IRC gave an expense paid trip to Chicago), Shamrock and the Boat Cruise (floating down the ol' Mississippi). IRC was instrumental in the implementation of the Holtman alcohol policy and revisions on the quiet hour and intervisitation policies this year.

Policy improvements were not the only changes that have taken place this year. Improvements in the residence halls this year will provide some new conveniences for next year's residents, making life in the residence halls more livable. Next year, refrigerators and phone service will be provided in each room

for the residents. At TJ, a new concrete bicycle pad was installed. At the Quad, rooms are having mini-blinds installed. Both complexes experienced computer facility expansions which were greatly needed. Overall, there have been many successful improvements made this year.

Committees within the residence halls are a big part of student involvement, they all make residence halls a fun place to live. The 'biggie' among the committees is SAC (Student Awareness Committee) which is composed of two Intellectual/Emotional Committees. One is from TJ and the other is from the Quad. Some individual residence hall committees are the newspaper, publicity, food, indoor/outdoor social (sponsor of the floor mural contest and the 'Roommate Game' — much like the "Newlywed Game") and the intramural committee. The intramural committee is responsible for resident participation in interfloor competition in ping pong, foosball,

pool, basketball and softball. Another important committee is the special events committee. It is responsible for many exciting events throughout the year, such as the TJ Homecoming float and residence hall representation at the Greek Games.

This year SAC sponsored the alcohol awareness week that was presented at both complexes. They also sponsored a financial aid program for residence hall occupants, Sex Bowl II and they brought a speaker to residence halls to inform residents of the dangers of AIDS. SAC also sponsored many charity events over the year, like the Penny Mile where floors collect pennies hoping to make

the longest line and collect the most money.

Other events within the year included the Marriott Casino Night, the Marriott barbecue and many events over at the Quad. These events include: 'Trig Week', 'Welcome Back to the Quad', pool and spades, 'Spawn on the Lawn' and 'Shift in the Drift' dances, Quad Movie Night, Scavenger Hunt, volleyball and chess tourneys, and TGIF's (Thank-Goodness-It's-Friday parties).

Residence halls provide a great opportunity for residents to develop friendships and relationships to last a lifetime. Besides just living there, UMR residents get involved, because no matter what your interests are ... there is always something to do!

Groups Honored *Awards Given*

Several groups across campus have received awards for various reasons this year. Among the groups honored are Society of Women Engineers, Society of Mining Engineers, Tau Beta Sigma, Kappa Kappa Psi, Phi Kappa Phi and Society of Physics Students.

The Society of Women Engineers received awards in two separate categories of the national conference held in June in Oakland, California. The group received the award for the best student section in the region and received the national technical paper contest. Kathy Stone was the recipient of the technical paper award. The group was judged on the involvement of the members and their activities.

The Society of Mining Engineers was named the Outstanding Chapter for 1989. The criteria for the award were based upon the chapter's involvement, activities and a paper reflecting the group's activities. Tau Beta Sigma and Kappa Kappa Psi both received the Midwest District Chapter's Achievement Award. UMR's chapter of Phi Kappa Phi received the Master Chapter Award. The Society of Physics Students was named an outstanding chapter due to sponsoring various chapter activities.

The SAE Formula Car Team displays their creation. Once a year the Society of Automotive Engineers builds a formula car. The car is built to the students'

specifications and taste. Building the formula car gives the students a try at building a car.

UMR Talent is Displayed

NSBE Entertains the Campus

The University of Missouri-Rolla's chapter of the National Society of Black Engineers has annually sponsored a talent show over the winter for the campus. The organization calls the show Night at the Apollo.

The show runs auditions several weeks in advance of the performance. Students who feel they have talent, whether it be singing, dancing, stand up comedy, or some other skill are welcome to audition.

The performance allows students to get in front of a crowd and display their talent.

The National Society of Black Engineers is one of the larger organizations on campus and sponsors several events for its members. It sponsors lectures and social get-to-

gethers. The society has received national recognition and will be taking part in a national convention where the Black Engineer of the Year will be chosen. At the same time a beauty contest is held. In the past UMR has done well in this event.

Floyd Harris of the Minority Engineering Office and NSBE have been honored and will be given an award at the convention.

NSBE events are becoming strong traditions at UMR and will continually entertain the campus in various ways.

The audience enjoys loud music as Robyn Duff, Vera Legrant, Sherrell Neal, Denise Ford and Joycelyn Pugh dance across the

stage at Night at the Apollo which is sponsored by the National Society of Black Engineers.

R&R Alternatives

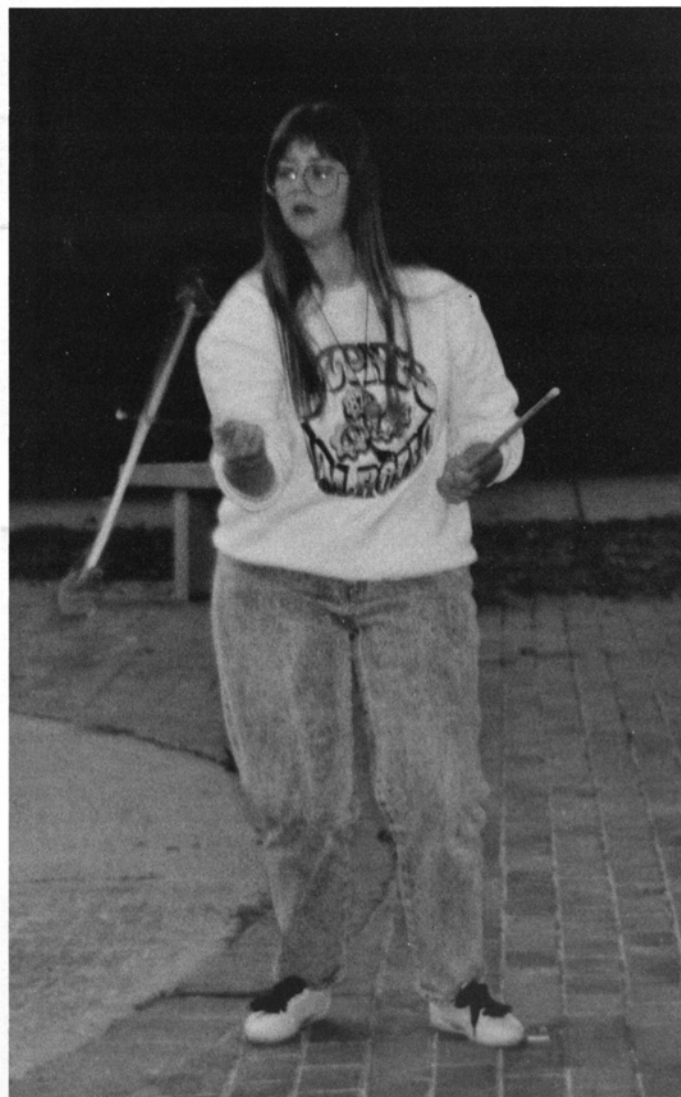

Hobbies Are Developed

Students flock to various student organizations when rest and relaxation options run low. Many of the organizations offer a chance for students to cultivate their hobbies.

One popular club is the UMR Gaming Association. When classes are over and homework is done students gather to play war games.

The Chess Club and the Railroad Club offer a more traditional type of leisure time activity. The groups have a fluctuating membership of students.

The Juggling Club is one of the more unusual groups on campus. The jugglers can usually be seen during nice weather at the Hockey Puck.

Melisa Klotz spins devil sticks out at the Hockey Puck during a Juggling Club meeting in the fall. Experienced jugglers and novices can often be seen tossing pins out on the campus lawn.

Photo by M. Schmid

Artistic talent is used as Max Stenzel and Mike Kraemer paint figurines at a UMR Gaming Association Miniature Painting Session. The miniatures are collector items and are used for

role playing games. The organization's purpose is to allow students to have a chance to meet with other students who are interested in playing role playing games.

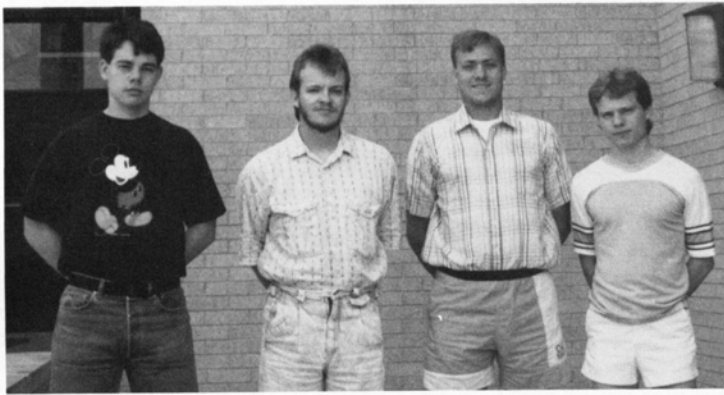

Photo by M. Schmid

A dragon unfurls its wings on a desk at the Miniature Painting Session sponsored by the UMR Gaming Association. The miniature

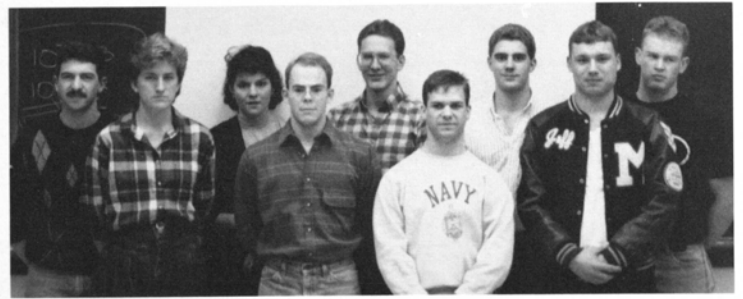

ogre and dragon are painted in bright colors with an eye to detail. The figurines are saved for collections and game pieces.

UMR Takes Preventive Steps

Over the past year campus related crime has been an issue of growing concern. Although the University of Missouri-Rolla faces fewer occurrences of crime than other universities, the administration and student body have been concerned about protecting the student body from its effects, for there have been several reports of students attacked at night.

Student Council has taken the problem of bad lighting into consideration. A special committee has been formed to take care of the problem. The committee is comprised of students as well as Vice Chancellor Neil Smith and Vice Chancellor Wendell Ogrosky. Several tours of campus were made and spots with poor lighting were noted and the security of these spots are being evaluated.

Angel Flight and the female RA's at the Quadrangle have sponsored Rape Protection Seminars. The seminars include an introductory session and general coverage of the topic of rape. The seminars also include the use of self-defense. The Air Force ROTC has sponsored an escort service for those walking home after dark.

Students stand outside the Quadrangle Residence Hall. The Quadrangle is one area of concern with poor lighting. There are no lights along State Street between the Quadrangle and the Chancellor's Residence.

GDI Parties

Students Have Fun

Matt Bethmann and Greg Recker play foosball at the GDI Turkey Wake. The Turkey Wake was a party sponsored by the Independents near Thanksgiving. The party was held at the Tech Engine Club. The General Delegation of Independents, GDI, sponsors many social activities across the campus. It sponsors parties, float trips and live bands. During the winter semester the Independents sponsored a trash pick-up at Lane Springs. The organization is for students not interested in joining Greek organizations and is also for students involved in Greek life who just want to get out and have a good time.

ANS Conference

Awards Passed Out

The University of Missouri-Rolla chapter of the American Nuclear Society hosted the American Nuclear Society Midwest Regional Student Conference here in Rolla on February 23 and February 24. This is the first time UMR's chapter has hosted the conference since 1971. The conference was held in the University Center East.

The conference consists of students in nuclear power programs. The students present research papers to the public at the conference. Participants were encouraged to listen to presentations on various topics.

Outstanding Paper Awards were handed out to participants in the conference. The judging panel for the awards was comprised of industry representatives and UMR Nuclear Engineering faculty. The recipients of the awards were Kathy Stone of UMR, John Stevens of Purdue, Eric Lowen of Wisconsin-Madison, Hung-Yuan Liu of UMC, John Ptacek of Wisconsin-Madison and Barton Wohl of the AF Institute.

The American Nuclear Society's conference had a good turnout of about 120 people from all over the Midwest. There were participants from ten different schools.

The committee chairman who planned the conference's events was Brian Audsley, a nuclear engineering student here at UMR.

The conference gave students an opportunity to visit with others in the nuclear engineering field and to hear new technical papers. It was a medium conducive to lively discussion and to good cheer.

The American Nuclear Society Midwest Student Conference award recipients display their plaques. The Outstanding Paper Award recipients are Barton Wohl, Kathy Stone, Eric Loewen, John

Placek and Hung-Yuan Liu. The papers presented were technical research papers.

Vets Remembered

Military Salutes

The military science program at the University of Missouri-Rolla has continually given recognition to veterans of the United States military forces.

Both the Air Force ROTC and the Army ROTC at UMR marched in a parade for Veteran's Day. A special ceremony to recognize and remember what U. S. veterans have done for the country was held in front of the Curtis Laws Wilson Library at the flag pole.

Arnold Air Society planned several events during MIA/POW Week to remind people about veterans missing in action and prisoners of war.

The Blue Sabres march across campus during the fall semester. The group is a new color guard for the Air Force ROTC. Blue Sabres was started during the 1988-1989 school year. It will march for events such as Veterans' Day and awards ceremonies.

Photo by M. Gawedzinski

A ceremony is held in front of the Curtis Laws Wilson Library on the campus mall over Veterans' Day. It was held at the flag pole. Speeches were made to recognize the event as members

of the University of Missouri-Rolla's Air Force ROTC and Army ROTC stood stiffly at attention in formation in front of the library's windows.

Photo by B. Booth

Lutheran Student Center is for students of the Lutheran religion. It gives members an opportunity to socialize with other people of the same religion.

MISSOURI MINER is the University of Missouri-Rolla's student run newspaper. The paper is published weekly. It moved to a new office at Norwood Hall during the winter.

Muslim Students Association is an organization for students of the Muslim religion. The organization gives members the opportunity to meet socially and discuss religious views.

National Society of Black Engineers encourages minority students to

pursue and achieve careers in engineering. The chapter aids in students seeking financial aid and provides tutoring. The organization annually puts on a talent show for the student body called Night at the Apollo.

Newman Center is affiliated with the Roman Catholic Church. The organization annually co-sponsors a Haunted House from which the proceeds are given to charity.

Officer's Christian Fellowship is a religious organization for members of the military who want to commit their lives to Jesus Christ. It encourages its members to grow to spiritual maturity.

Omega Chi Epsilon recognizes and promotes high scholarship and professional service. It encourages original investigation. The group is for students with an interest in chemical engineering.

Pakistan Students Association promotes friendship and the exchange of culture between students from Pakistan who are attending UMR and other UMR students.

Pershing Rifles encourages and preserves the highest ideals of military leadership, patriotism and military ability.

Culture is Shared

Students Give New Ideas

The University of Missouri-Rolla's international students share their culture with the student body. The international students and many of the international student organizations sponsored International Day during the winter semester.

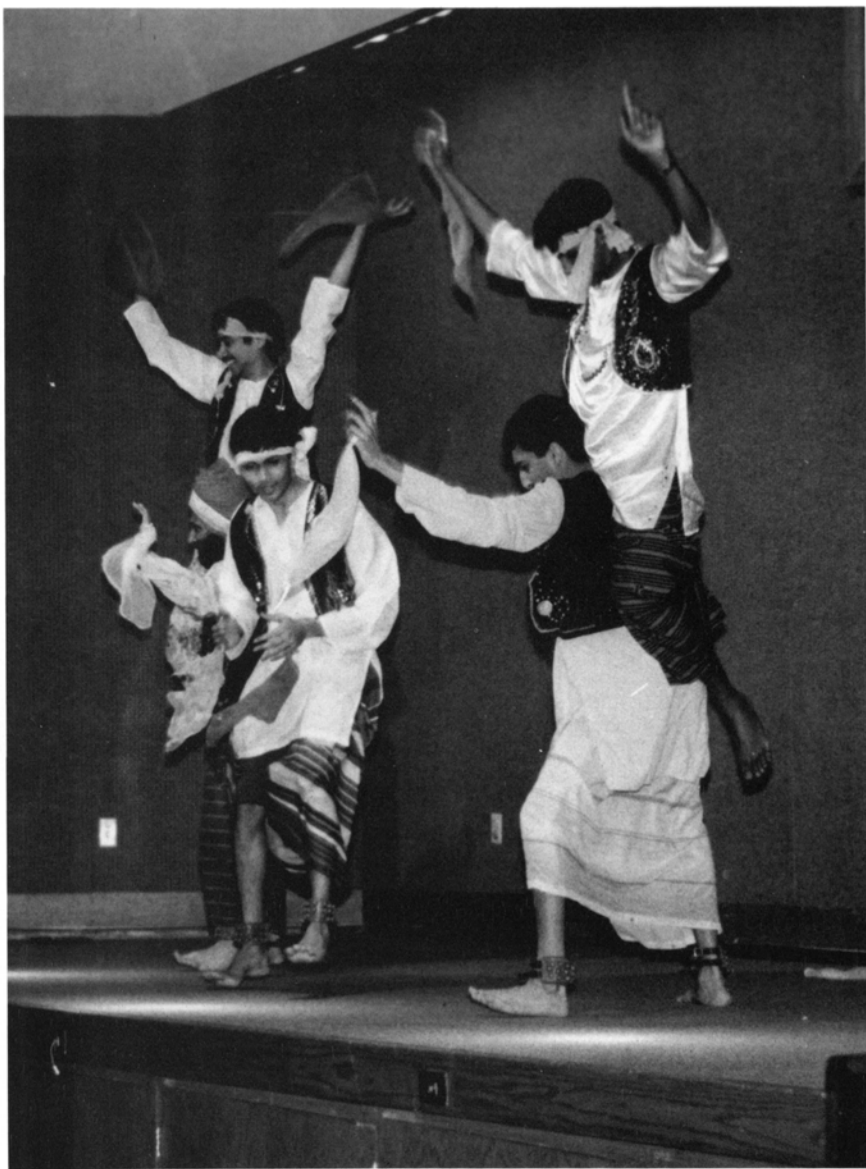

During International Day, the public has the opportunity to view exhibits students have set up displaying items from their home countries and to answer any questions the public may have.

A performance is planned to introduce the public to many of the international students' native entertainment skills. Students dance and play musical instruments for the International Day show.

One of UMR's international students displays items from his native country. Clothing, money and art work are among the many items on display. Photos were provided for the visitors at International Day, held in the University Center East.

Photo by M. Schmid

Dancers perform native dances for the audience at the International Day Talent Show. The dancers are dressed in costumes from their homeland. The dance is one of the several performances held in

Centennial Hall in the University Center East during the winter semester. The dancers danced to music from their native land.

Campus Concerns Faced

Student Government Acts

Students have had several issues in which they have voiced their concerns. Student Council and the Associated Students of the University of Missouri have set out to tackle these problems.

Student Council provided a medium for students to discuss the use of student activity fees.

Much concern was over Academic Assessment, which is mandatory. Students feel that they should be given a day off from school if they must take the assessment. Student Council has been working with the Academic Council to help solve the dissatisfaction.

Student Council passed a resolution on November 28 calling for university observance of Martin Luther King, Jr.'s birthday.

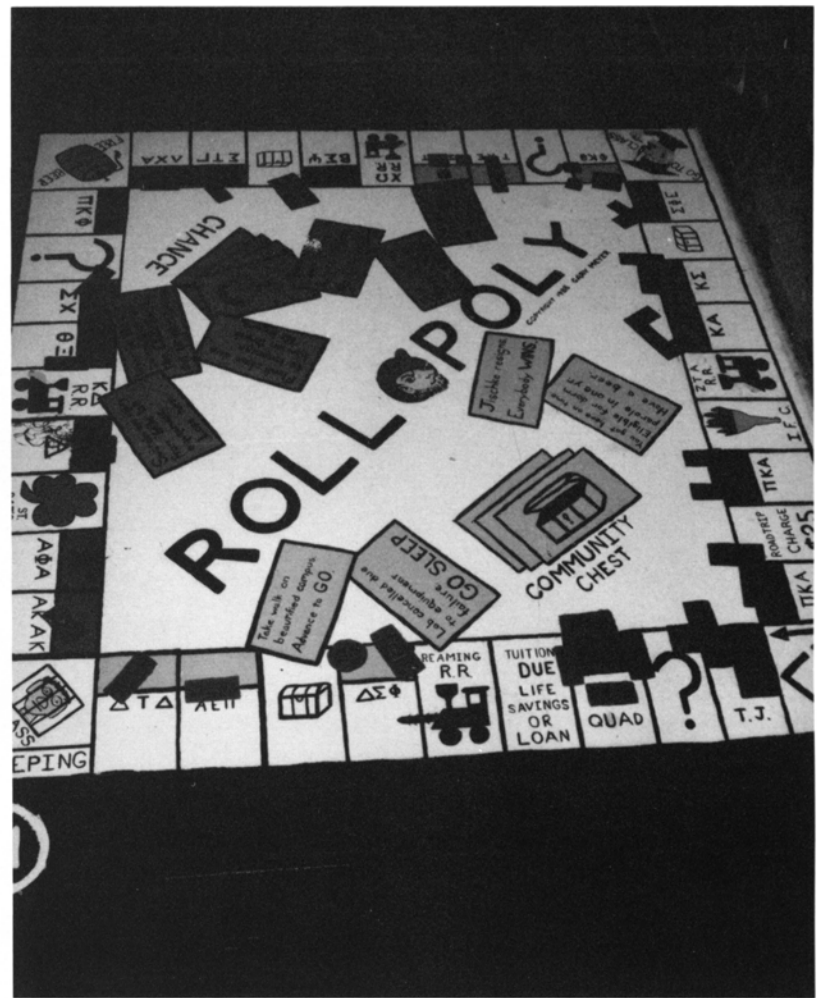

Associated Students of the University of Missouri

worked toward getting legislation written permitting student representatives to sit in on closed meetings of the Board of Curators and possibly vote.

Funding for higher education was a major issue ASUM was working on. It collected letters to legislators and senators voicing concern about a hike in educational fees. There was fear that fees could be increased 50-100%.

ASUM also lobbied in the state senate in support of a bill proposing that the accredited engineering colleges of the University of Missouri be provided with money to be used to purchase teaching and research laboratory equipment.

The Student Council sponsors the Open Forum, in which any student can speak out and voice any of his concerns.

The Thomas Jefferson Tube, an underpass connecting the Thomas Jefferson Residence Hall to campus is covered in legalized graffiti. Student

Council allows students to use the graffiti in TJ Tube to voice concerns, make announcements, let off a little steam and show off art work.

Rock Climbing Club is for any student interested in climbing rocks and hiking. It gives its members an opportunity to catch some of nature's scenery while keeping fit physically.

ROLLAMO is the University of Missouri-Rolla's yearbook. The group is comprised of students. Any who are interested may join. The publication comes out once annually and is a photographic look at the past year.

Sigma Gamma Epsilon is a national honorary professional fraternity. It is for students involved in the earth sciences. The earth sciences include geology, mining, metallurgy and ceramics.

Sigma Gamma Tau is a society that is established to recognize and honor students in the field of aeronautics. The members are those who have proved to be a credit to their profession by excel-

ling in scholarship, integrity and outstanding achievement.

Sigma Pi Sigma is a professional society for any students interested in physics. Its goal is to promote interest and knowledge in the field of physics and its applications to human welfare.

Society of American Military Engineers has the objectives of advancing knowledge of the science of military engineering. It promotes efficiency and maintains interest in tradition. It fosters a spirit of cooperation and mutual understanding between military engineers and other branches of the military.

Society of Automotive Engineers is a technical society for students who are interested in developing, designing and producing automobiles and aircraft. It emphasizes the operation and maintenance of these vehicles. It creates a for-

mula car annually.

Society of Exploration Geophysicists is for students interested in the science of geophysics.

Society of Manufacturing Engineers strives to educate its members in the theory and practice of all aspects of manufacturing.

Society of Metallurgical Engineers is for students interested in metallurgical engineering.

Society of Mining Engineers emphasizes knowledge of the science of mining and aspects of mining engineering.

SIGMA PI SIGMA: Members are: H. Siriwardane, S. Johnson, P. Tin, T. Oshiro, Prof. Pringle, J. Wallmark, S. Scott, T. Bergfeld, S. Jones, B. Shrestha, H. Chen, A. Gaus, W. Portwine.

School Organizations Heard

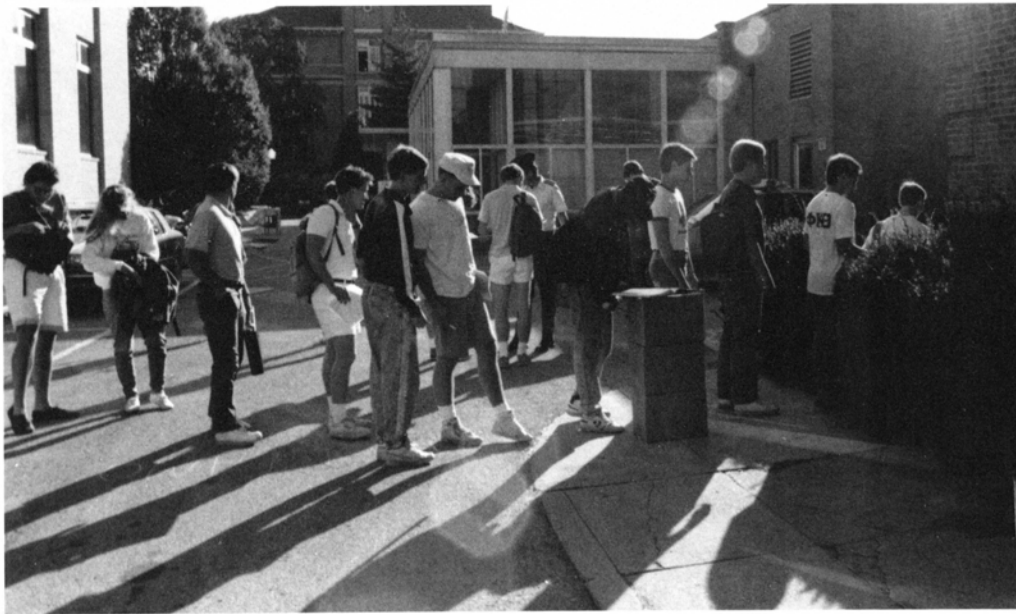

Campus Media Groups Publicize UMR

Several groups this year have diligently portrayed the University of Missouri-Rolla's image to the public. UMR's media/publications groups are KMNR Radio Station, the **MISSOURI MINER**, the **ROLLAMO** and **SOUTH-WINDS**.

KMNR is a student run radio station which is totally free formatted. In June this year the station activated a new transmitter and antenna, located on top of the Rolla United Telephone System Tower. The addition of the new equipment has expanded KMNR's broadcasting radius to about twenty-five miles.

MISSOURI MINER and the **ROLLAMO** have played a major role in publicizing and announcing student concerns. The **MINER** is the campus newspaper, which is distributed weekly. The **ROLLAMO**, UMR's yearbook, is published annually. In December the **MINER** and the **ROLLAMO** moved into new offices in Norwood Hall.

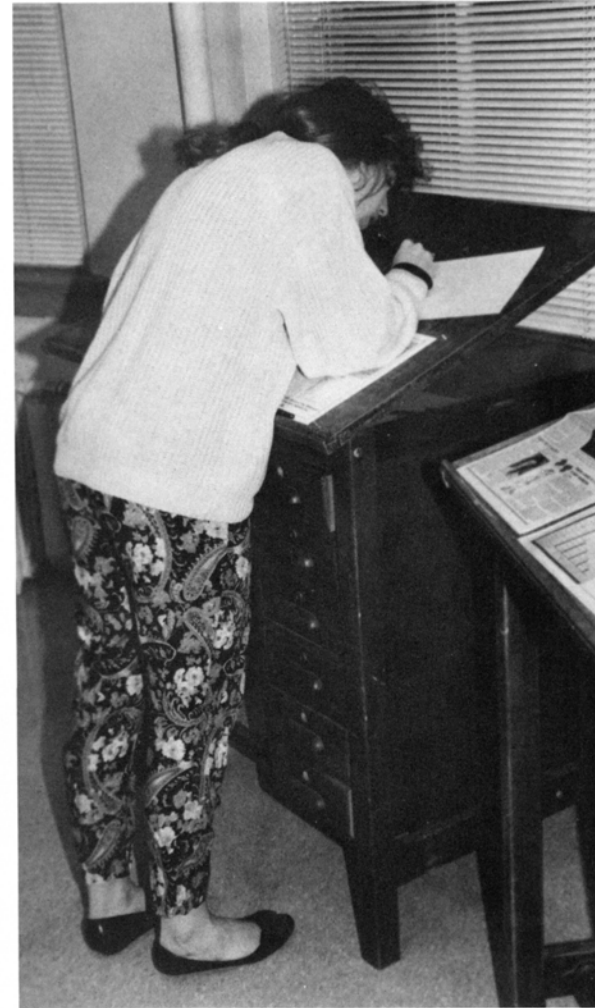

Seldom heard about is **SOUTH-WINDS**, UMR's literary magazine. The magazine is filled with poetry, short stories, art work and photographs submitted by students and faculty.

Students line up at the yearbook distribution of the **ROLLAMO**. The annual distribution is held in the basement of the Rolla Building twice a year,

once in the fall and winter.

Photo by M. Gawedzinski

Tiffany Huenefeldt prepares artwork for the next issue of the **MISSOURI MINER**. Tiffany is a graphics artist on the **MINER**. She is working in the **MINER**'s new office at Norwood Hall during the **ROLLAMO** and **MINER** Open House in the winter. Cookies and soda were served to visitors of the Open House. The Open House was held to familiarize the public to the new location of campus student publications and to what student staff members of the groups do to bring about the finished product of published work.

Photo by J. McHaney

Student Union Board provides many cultural, social, educational and entertainment events on campus for the student body's enjoyment.

Tau Beta Pi is a special recognition honor society for students in engineering schools. Members are of the junior and senior class. The group sponsors lectures and special charity activities.

Tau Beta Sigma is an honorary band sorority. The group often co-hosts activities with Kappa Kappa Psi, the honorary band fraternity.

Tech Engine Club is the only eating club on campus. It is for those who do not

want to eat at the residence halls or cook for themselves. The group often lends out its facilities to other campus organizations for parties.

Thai Student Association is a group for students from Thailand. The group promotes cultural understanding between U. S. and foreign students on campus.

Theta Tau Omega is a professional fraternity for engineering students. Candidates for the organization must have grades above that required for graduation and must show that they are active in extracurricular activities.

Toastmaster's is a group which empha-

sizes communications skills. Members of the group improve their public speaking skills by preparing and delivering speeches. They also learn to read and listen analytically to others. Members also practice parliamentary procedures. The group's goal is to work toward self-improvement.

Students Walk to Help Needy

The University of Missouri-Rolla has helped the needy over the past year and kept its students physically fit at the same time. Several groups have helped in various walks for the needy.

Students have supported the Phelps County Walk for the Hungry. The walk was to help supply disaster victims with food. Those who were to walk assembled at the Hockey Puck on the UMR campus.

Blue Key sponsored the Super City Walk to benefit those people with multiple sclerosis. Proceeds from the walk will be used for research in combating the disease. The route for the walk began in Ber Juan Park on March 24.

In late October a ten kilometer run was held at Ber Juan Park. The run was sponsored by the Rolla Jaycees and Key Sports. Prizes were given out and a barbecue was held after the run. The proceeds raised from the event went to a fund to investigate the feasibility of building a community center for the youth of Rolla. The community center would provide a place for youth to meet and have fun.

Spirits ran high at the Phelps County Walk for the Hungry. People of all ages showed up for the invigorating walk.

Photo by J. McHaney

Turkish Student Association promotes a better understanding and friendship between Turkish, American and other international students at UMR.

UMR Gaming Association provides students with an atmosphere conducive to fun and sportsmanship while providing students a chance to play games and make friends at the same time.

UMR History Club started over the winter semester at UMR. The group's goal is to provide a discussion group over historical events and also to discuss current topics. The organization is open to any student with an interest in history.

Upsilon Pi Epsilon is an honor society whose purpose is to recognize outstanding students in computer science. The students must excel scholastically and professionally in the field of computer science.

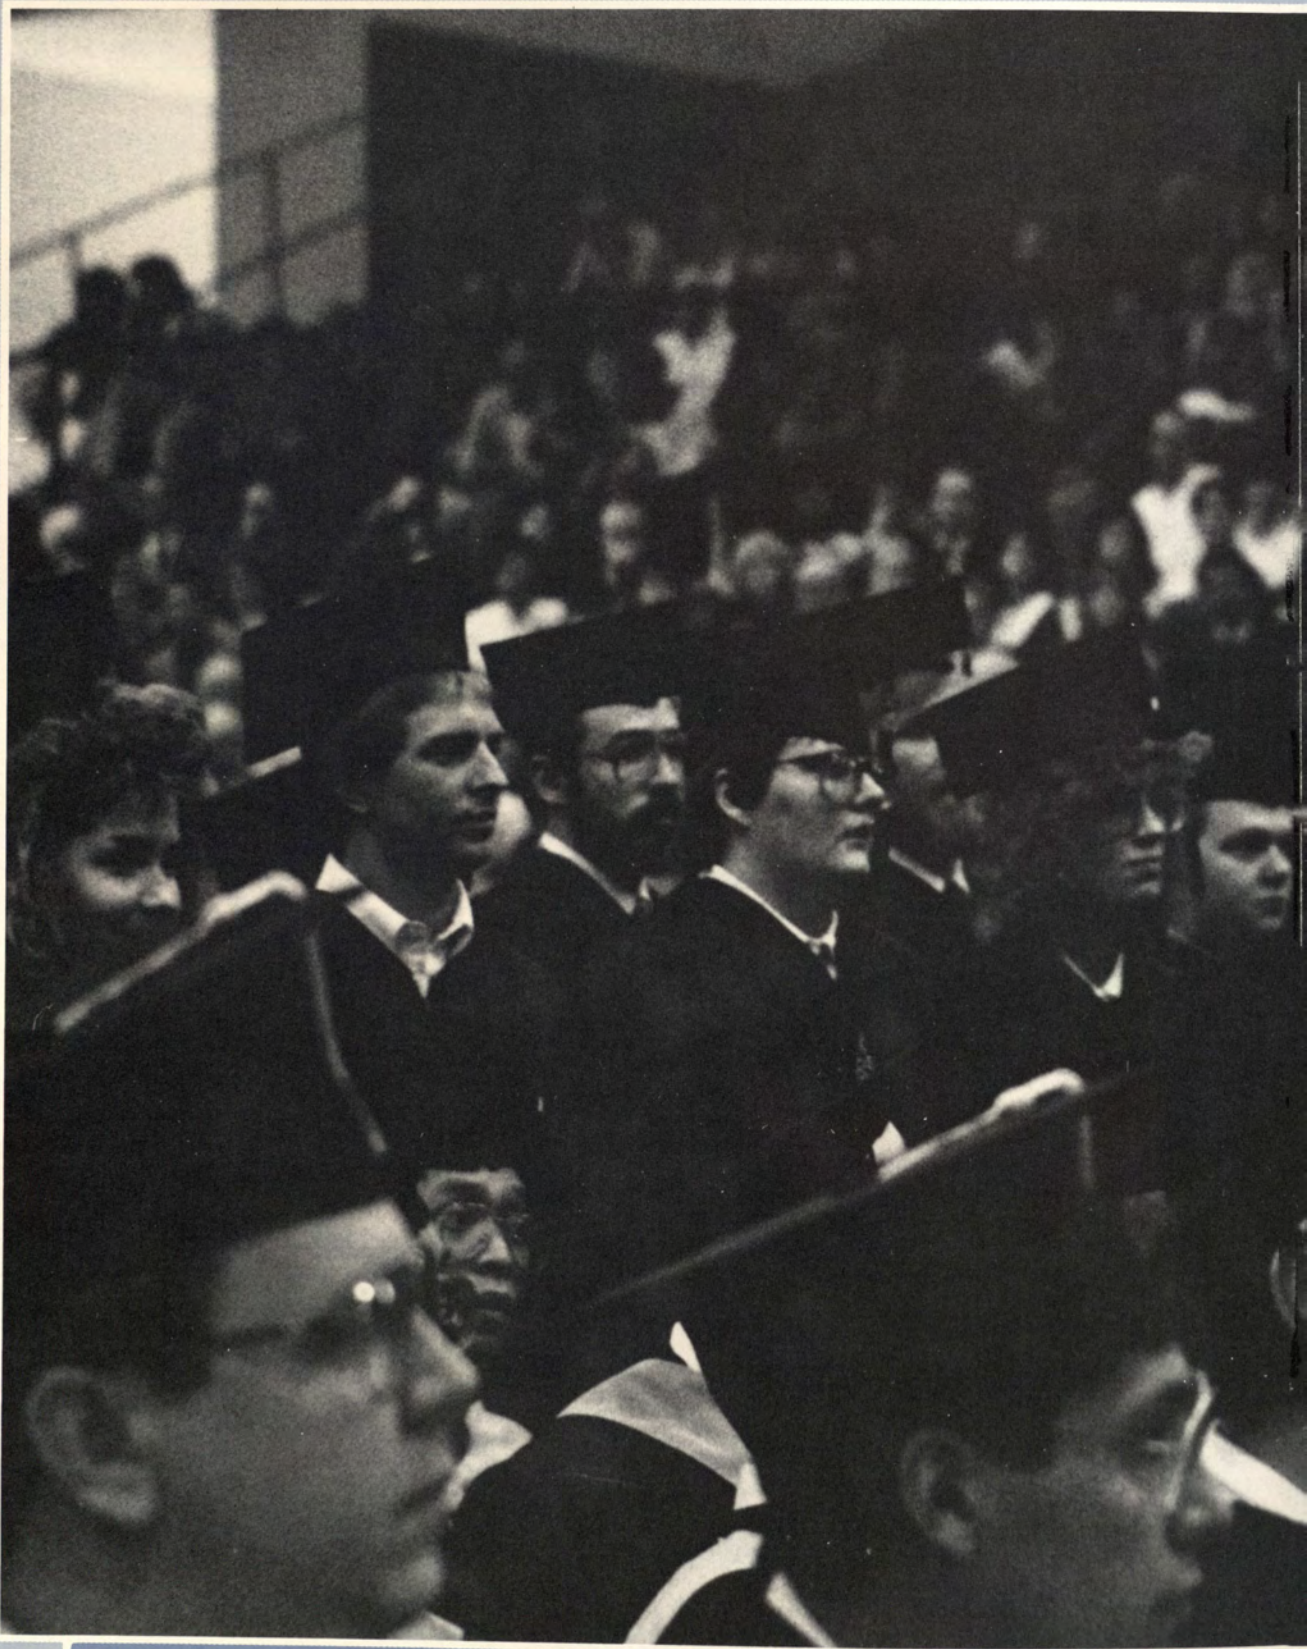

Veteran's Assistance Association has the goal of supporting veteran students at the University of Missouri-Rolla. The group provides social activities and exchanges current VA information. This year the group collected soda can tabs for charity. Bags were distributed at every soda machine for the tabs. The group also sponsored a carwash in the fall at the parking lot at Walmart.

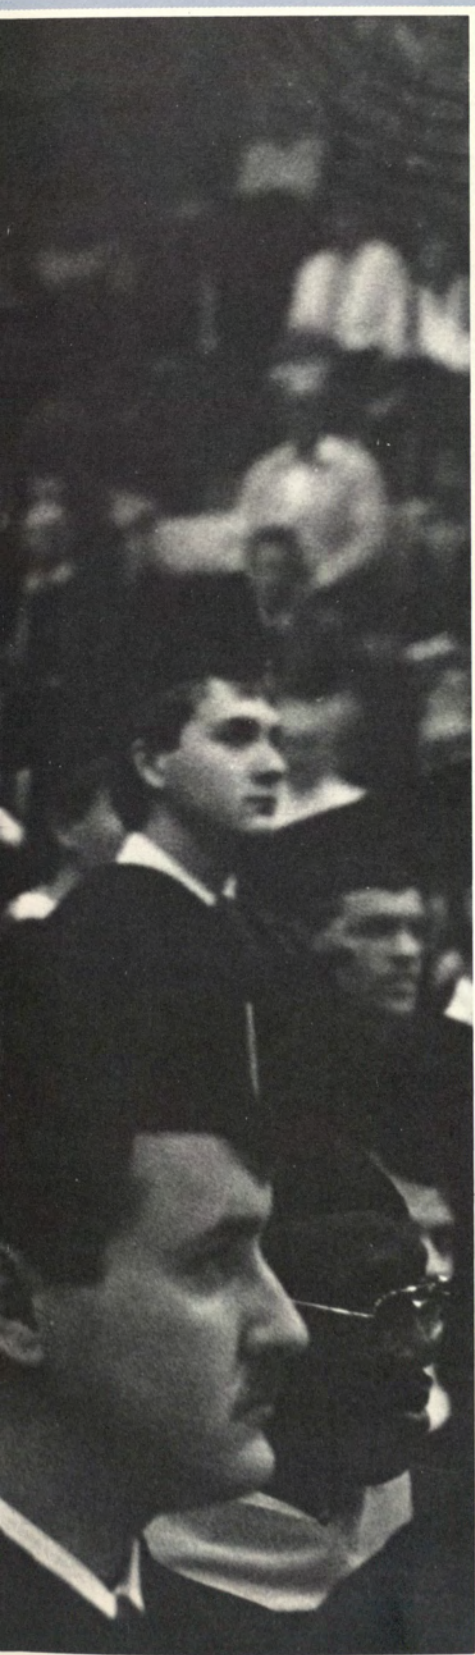

Wesley Foundation is affiliated with

the United Ministries in Higher Education including the United Methodist, Presbyterian, Christian and United Church of Christ churches. The group is one of the more active ones on campus and sponsors several activities on campus.

W. T. Schrenk Society is organized to acquaint chemistry majors with recent advancements in the science of chemistry and professional opportunities. Although the group is mainly for chemistry majors, students who have an avid interest in chemistry are welcome to the group.

Number of Faculty per College Division

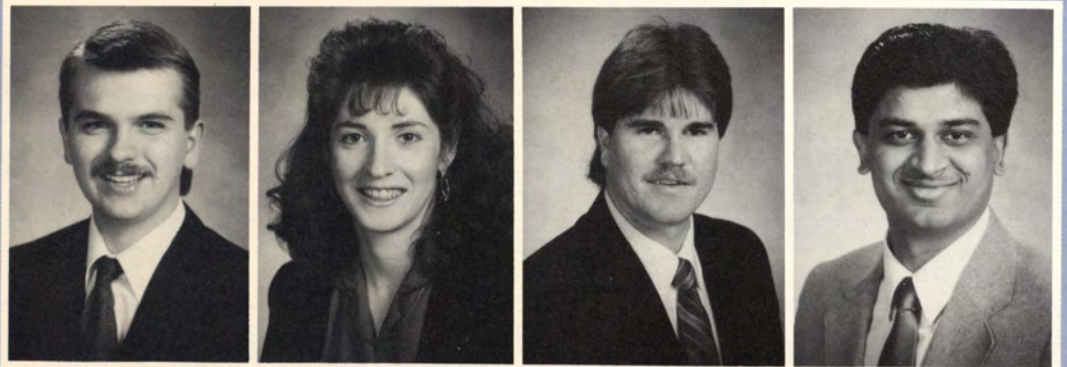

The University of Missouri School of Mines and Metallurgy was established in 1870. Almost a century later on July 1, 1964 the Board of Curators renamed the school the University of Missouri-Rolla. The university had five new divisions — the School of Mines and Metallurgy, School of Engineering, School of Science, Graduate School and Extension Division. In 1970, the School of Science and Division of Liberal Arts were combined to form the College of Arts and Sciences. The graph depicts the number of faculty in each of the three schools during 1989-90.

Graduation Dates from 12th Century

Commencement recognizes the successful completion of a degree for the student and also an accomplishment for the university. Participants in the ceremonies include the graduates, faculty marshals, student marshals, honorary degree candidates and the dais group, or stage party. All participants wear the traditional black gown and mortarboard. Over a century ago, students at many American colleges wore gowns on a daily basis or at meal times.

The doctorate degree was first acknowledged at the University of Bologna in the middle of the 12th century. The first bachelor's degree was awarded at Harvard in 1642.

At the University of Missouri at Rolla, a total of 20,116 degrees have been granted since 1973.

Bill Veerkamp is congratulated by Chancellor Martin Jischke on the completion of an electrical engineering master's degree.

Kansas City, Missouri
Sigma Chi.

Tamra K. Banks
Chesterfield, Missouri
American Society of Mechanical
Engineers, vice-president, plan-
ning chairman; Pi Tau Sigma, re-
cording secretary; Tau Beta Pi;
Phi Kappa Phi; Kappa Mu Epsilon;
Phi Eta Sigma; Society of Women
Engineers.

David C. Barski
Springfield, Missouri
Eta Kappa Nu; Tau Beta Pi.

Jody Mawhorter Baughman
Godfrey, Illinois
Alpha Chi Sigma, reporter; Ome-
ga Chi Epsilon, pledge trainer;
American Institute of Chemical
Engineers; Tau Kappa Epsilon Lit-
tle Sisters, president, vice-presi-
dent, secretary; Intramural sports

manager; KMNR DJ.

Beth Baumbach
Manchester, Missouri
Chi Omega, vice-president, as-
sistant rush chairman, chaplain;
Panhellenic, vice-president,
Greek events chairman, student
knight; Varsity tennis; Blue Key;
Tau Beta Pi; Phi Kappa Phi; Kera-
mos; American Ceramic Society;
Phi Eta Sigma; Kappa Mu Epsilon;
Chancellor's Student Cabinet;
Curator Scholar; Honor Roll.

Craig Baumer
Hazelwood, Missouri
American Institute of Chemical
Engineers, president; Intramural
manager; Resident Hall Associa-
tion, Board of Governors; Stu-
dent Union Board; Intramural
flag football, volleyball, swim-
ming, wrestling, soccer.

Kevin Bayliss
Florissant, Missouri
Sigma Pi.

Lisa Joan Beardslee
St. Louis, Missouri
Chancellor's Leadership Class;
Phi Eta Sigma; Kappa Mu Epsilon;
Outstanding College Students of
America; Honors Program Men-
tor; Curator's Scholar; Honor
Roll; Little Sigmas of Sigma Chi,
president, pledge trainer; Intra-
mural sports; Chancellor's Book
Scholarship; Women in Engi-
neering Scholarship; Math De-
partment Scholarship.

Michael Robert Becher
St. Charles, Missouri
Tau Kappa Epsilon, vice-presi-
dent; Varsity soccer; Theta Tau
Omega; Interfraternity Council.

Lucy Ann Bell

Steeleville, Missouri
Psychology Club, public relations officer.

Gene Bender

Florissant, Missouri
Resident assistant; UMR theater.

Thomas J. Bereswill

St. Louis, Missouri
Omega Chi Epsilon, vice-president, pledge treasurer; American Institute of Chemical Engineers; Tau Beta Pi; Kappa Mu Epsilon; Phi Eta Sigma; Varsity Soccer; Intramural basketball, soccer; Arkansas Eastman Kodak Scholar; Honor Roll.

Robert Wayne Bernoteit

Pleasant Plains, Illinois
American Society of Mechanical Engineers; Thomas Jefferson Residence Hall Association; Intramurals; Society of Automotive Engineers, secretary.

Kelly D. Bernal

Mineral Point
Phi Theta Kappa; Triangle Little Sister; Psychology Club.

Matthew J. Bethmann

Rolla, Missouri

Bhakta Bhavnesh

Neosho, Missouri
American Society of Civil Engineers, recording secretary; Tau Beta Pi, membership committee chairman; Chi Epsilon; Phi Theta Kappa volleyball team.

William Henry Biggs

Springfield, Missouri

Vito Biundo

St. Louis, Missouri
Phi Eta Sigma; Photography Club; KMNR, DJ, music director, station manager; American Ceramic Society; Keramos; Tau Beta Pi; Cycling Club, treasurer; *Missouri*

Miner, photographer.

Brent Bjerken

Kansas City, Missouri
Theta Xi, president, steward, house manager; Coop Association, vice-president; Alpha Phi Omega.

Cindy June Black

Springfield, Missouri
American Society of Civil Engineers, corresponding secretary, social chairman, Association of General Contractors; Institute of Transportation Engineers; Chi Omega, historian; Varsity track; Little Sigmas, vice-president; Rush chairman.

Wilson Black

St. Louis, Missouri

Rose Blair

Rolla, Missouri
Psychology Club, secretary, vice-president; History Club.

Michelle Ann Blechle

St. Charles, Missouri

Jeffrey L. Blue

Lebanon, Missouri

Christopher Noel Boone

Rolla, Missouri
Football; Golf; Student football coach; AISC; American Society of Civil Engineers.

Elizabeth L. Boone

Rolla, Missouri
Tennis; Softball; Little Sister of Sigma Chi; Institute of Electrical & Electronic Engineers; M-Club.

Bruce Borcharding

Washington, Missouri
Resident assistant; Thomas Jefferson Residence Hall Association, vice-president, intramural manager; National Residence Hall Honorary, president; InterResidence Council; Eta Kappa Nu; Chancellor's Leadership

Class.

Tomislav Borovic

St. Louis, Missouri
Intramural volleyball, soccer, softball, football, billiards; American Society of Civil Engineers; Association of General Contractors; Institute of Transportation Engineers.

Brent Bossi

Rolla, Missouri

Danielle Suzanne Bowman

Belleville, Michigan
Institute of Transportation Engineers, student delegate, technical paper finalist, student conference housing and registration chairperson; Student Advisory Board, secretary; American Society for Engineering Management, vice-president of programming; Toastmasters International, treasurer; Student Admissions Ambassadors; Alpha Phi Omega; Gold Miners.

Clifford R. Brandon

St. Louis, Missouri
Kappa Alpha Psi.

John D. Brandt

St. Charles, Missouri

Shawn T. Breckenridge

Appleton City, Missouri

Caroline J. Bredemann

Defiance, Missouri

Matthew Alan Bremmerkamp

Jefferson City, Missouri
Beta Sigma Psi, house manager, secretary, rush chairman; Inter-collegiate Knights, expansion, secretary; Institute of Electrical & Electronic Engineers; Kappa Mu Epsilon, secretary.

Gregory Scott Breuer

Rolla, Missouri

Keith A. Brewer

Kirkwood, Missouri

Keith Alan Briggs

Memphis, Missouri

Ross Nathaniel Broeckling

Florissant, Missouri
Theta Xi.

Allen Leroy Brown

Springfield, Missouri

Conway Lee Brown

Economics Club; UMR Veterans Club; Intramural manager.

Don R. Brown

New Madrid

Kappa Sigma; NSPE; Institute of Electrical & Electronic Engineers.

Earl Brown

Salem, Missouri

Psychology Club, president; Phi Eta Sigma; Phi Kappa Phi; Psi Chi, vice-president; APA student affiliate.

Kevin Leroy Brown

Cape Girardeau, Missouri

Robert F. Brown

St. Louis, Missouri

Delta Tau Delta, vice-president; Sergeant-at-Arms; InterFraternity Council, banquet chairman; Alpha Phi Omega; Intramural football, softball, volleyball.

Susan Marie Brown

Rolla, Missouri

American Society of Civil Engineers; Chi Epsilon; Tau Beta Pi.

Tracey Dawn Brown

Florissant, Missouri

Douglas Bruns

St. Charles, Missouri

American Society of Civil Engineers; Beta Sigma Psi.

Michael Brunstein

West Alton, Missouri

Alpha Phi Omega; Institute of Electrical & Electronic Engineers; Intramural sports.

James Bryan

Rolla, Missouri

John Earl Buchert

St. Louis, Missouri

Tau Beta Pi; Eta Kappa Nu; Toastmasters.

Stephen Edward Buechler

St. Louis, Missouri
Sigma Pi.

John Thomas Bullock

Kansas City, Missouri

Theta Xi, house manager, secretary.

James A. Burger

St. Louis, Missouri

Tau Beta Pi; Eta Kappa Nu; Phi Kappa Phi; Institute of Electrical & Electronic Engineers; Toastmasters.

John Michael Buttenob

Willow Springs, Missouri

C

Cung Bach Cao

Springfield, Missouri

Tau Beta Pi; Eta Kappa Nu; Kappa Mu Epsilon; Phi Eta Sigma; OSCA; National Dean's List; Vietnamese Students Association.

Rich Toan Chear

Ballwin, Missouri

Clarence Chenault

Rolla, Missouri

A. Chris Chiodini

St. Louis, Missouri

Sigma Nu; American Society of Civil Engineers; Institute of Transportation Engineers; Associated General Contractors, corresponding secretary; Toastmaster; Student Union Board.

Tong Ho Choe

Springfield, Missouri

Pi Tau Sigma; Phi Eta Sigma; Society of Automotive Engineers; Korean Student Association, president, secretary; Taekwondo Club.

Choon Teck Choo

Rolla, Missouri

Tau Beta Pi; Eta Kappa Nu; Institute of Electrical & Electronic Engineers; Taekwondo Club; Chinese Student Association.

Barbara Clark

Creve Coeur, Missouri

Institute of Electrical & Electronic Engineers; Baptist Student Union, president; Intramural Managers Association, treasurer; Alpha Omega intramural sports manager.

Melissa Myet Clark

Lindale, Texas

Air Force ROTC; Arnold Air Society; Angel Flight; American Society for Engineering Management; American Institute of Aeronautics & Astronautics.

Shawn D. Clark
Buffalo, Missouri

Tonya Clemons
Affton, Missouri

Tau Beta Pi; Pi Tau Sigma; Society of Women Engineers; American Society of Mechanical Engineers; American Society of Engineering Management; Varsity basketball; Sigma Chi Little Sister, treasurer; Intramurals; Curator's Scholar; All-American Scholar; UMR Alumni Scholar; Dean's List.

Sheila R. Cochran
St. Charles, Missouri

Albert Cohen
Rolla, Missouri

Daniel Cohen
Kirkland, Washington

Kathleen L. Cole
Newburg, Missouri
Sisters of the Shield and Diamond, vice-president; Student Union Board; Alpha Phi Omega; Psi Club; Environmental Protection Advocates.

Jason Robert Coleman
Washington, Missouri

Timothy J. Collins
West Plains, Missouri
Association of Engineering Geologists.

Raymond J. Cologna
Marshfield, Missouri

Elsbeth Cook
Ballwin, Missouri
Chi Omega, social, spirit, derby days chairman, rush counselor, asst. pledge trainer; University Orchestra; White Roses of Sigma Gamma Tau, president, vice-president; Helix Club; Alpha Phi Omega; Cheerleading, captain; Student Union Board; Intramurals.

Steven L. Cook
Rolla, Missouri

Cory Dale Cooksey
Trenton, Missouri
Intercollegiate Knights; Beta Chi Sigma; Pi Kappa Phi; Air Force ROTC.

Michael D. Copp
Springfield, Illinois

Timothy A. Coppinger
Kansas City, Missouri

M. Scott Costello
Warrenton, Missouri
Beta Sigma Psi, vice-president, rush chairman, secretary, social chairman, Sergeant at Arms; Economics Club, vice-president; Student Council Student Services; Interfraternity Council, secretary.

David A. Cramer
Florissant, Missouri
American Ceramic Society; Kermos; Alpha Chi Sigma; Spelunkers; Intramural soccer, softball; Alumni Scholarship.

Daniel Joseph Craycraft
Kansas City, Missouri

Amy Baker Cromwell
Florissant, Missouri
Varsity swimming; Pi Tau Sigma; Cade Chapel Choir.

Carol Y. Crooks
St. Louis, Missouri
Toastmasters; Blue Key National Honor Fraternity; Tau Beta Pi; Spelunkers; Phi Eta Sigma; Daughters of Emerald.

D

Timothy Forrest Dalton
Florissant, Missouri
Sigma Tau Gamma, vice-president; Alpha Phi Omega.

Lisa A. Danaher
Kansas City, Missouri
Newman Center Board; Omega Chi Epsilon, secretary; Tau Beta Pi, chairperson; American Institute of Chemical Engineers.

Becky Dancy
Raytown, Missouri
Eta Kappa Nu, president; Tau Beta Pi; BACCHUS, treasurer; Phi Kappa Phi; Chancellor's Leadership Class, advisor; Intramurals.

Brad Wayne Davis
Belleville, Illinois

Timothy Louis Davis
St. Louis, Missouri
Swimming; American Society of Engineers; Radio Club; *Rollamo*; Independents.

Robert J. Dechant
Green Bay, Wisconsin

Michael Steven Dennison
Ironton, Missouri
Tau Beta Pi; Pi Tau Sigma; Phi Theta Kappa; American Society of Mechanical Engineers.

Christopher Derner
Washington, Missouri
Tau Beta Pi; American Society of Mechanical Engineers.

James Edward DeVaney
Wright-Patterson AFB, Ohio
Arnold Air Society; American Institute of Aeronautics & Astronautics; Resident assistant; Air Force ROTC; Newman Center; Intramural football, soccer, track.

Alan Brent Dickherber

Wentzville, Missouri

Kappa Alpha, parliamentarian, historian, steward, little sister coordinator; Alpha Phi Omega; American Society of Engineering Management; Intramural sports; Student Education & Loan Foundation Scholarship.

Timothy J. Dickinson

Eureka, Missouri

Air Force ROTC; Students for Students of UMR, treasurer; American Association of Aeronautics & Astronautics; Volunteer tutor; Phi Eta Sigma, Freshman Honor Society; Sigma Gamma Tau, Aerospace Honor Society.

Kristen E. Dierker

Monett, Missouri

Kevin D. Dilg

St. Peters, Missouri

Institute of Electrical & Electronic Engineers; Thomas Jefferson Residence Hall Association.

Ty Dinsdale

Camdenton, Missouri

Darrell J. Dixon

Tullahoma, Tennessee

American Society of Metals; American Foundryman's Society; Metallurgical Society; Gamma Alpha Delta; Kappa Alpha Order.

Thuy Ngoc Doan

Florissant, Missouri

Phi Kappa Phi; Tau Beta Pi; American Institute of Chemical Engineers; Phi Eta Sigma; Omega Chi Epsilon.

Julie M. Donovan

St. Louis, Missouri

Chi Omega; Alpha Phi Omega; Daughters of the Emerald; American Society of Mechanical Engineers; Pi Tau Sigma; *Missouri Miner*; Society of Women Engineers.

Robert R. Dowdy

Chesterfield, Missouri

Sigma Pi, president, herald; Alpha Phi Omega; Pi Tau Sigma; American Society of Mechanical Engineers; Intramural sports.

Jeffrey A. Duvall

Waynesville, Missouri

Christopher Jay Dyer

Fenton, Missouri

Student Union Board; Phi Eta Sigma; Intercollegiate Knights, president; Theta Xi; GAD.

E**Jacqueline Marie East**

Potosi, Missouri

Jeffery W. East

St. Louis, Missouri

Mark Charles Easterbrook

Maryland Heights, Missouri

Toastmasters, secretary; Association of Engineering Geologists, treasurer, vice-president; Baptist Student Union.

Mitchell R. Ebbs

Grand Blanc, Michigan

Rita Faye Edwards

Licking, Missouri

Suzanna J. Edwards

Rolla, Missouri

Society of Physics, president.

Ronald Eugene Effland

Mt. Carmel, Illinois

Michael F. Ellis

Hazelwood, Missouri

Sigma Nu.

Marion, Illinois

Trap & Skeet Club, president; American Society of Civil Engineers.

Gary A. Emig

Highland, Illinois

Tim Emmerich

Russellville, Missouri

KOINONIA, president; Tau Beta Pi; Student Union Board; Eta Kappa Nu, Social Committee, co-historian; Intramural softball, football, volleyball; EE Scholarship; Motorola, Skiter/Eta Kappa Nu Scholarships.

Kenneth Paul Engelmeyer

St. Louis, Missouri

American Academy of Mechanics; Newman Center; 1989 Rolla Community Award for Excellence in Engineering Design.

David L. Enke

St. Peters, Missouri

Thomas Jefferson Residence Hall, floor vice president; Tau Beta Pi; Eta Kappa Nu; Phi Eta Sigma; Institute of Electrical & Electronic Engineers.

Robert O'Neal Enyard

St. Louis, Missouri

Association for Black Students, president, treasurer, parliamentarian; Alpha Phi Alpha, treasurer, parliamentarian, president

Murat Nail Erenay

Rolla, Missouri

Gregory R. Erler

Florissant, Missouri

Stephen Esry

Moberly, Missouri

Kappa Alpha, treasurer; Province Undergraduate vice-chairman; Society of Petroleum Engineers; Pi Epsilon Tau, vice-president, president.

Michael L. Evans
Sedalia, Missouri

Susan Evanson

St. Louis, Missouri

American Society of Civil Engineers, president; Collegium Musicum; Intramural sports; Civil Engineering Department Senior Achievement Award.

Jane Marie Ewers

Jefferson City, Missouri

F

Virgilio C. Fabella Jr.

St. Louis, Missouri

American Institute of Chemical Engineers, vice-president; Alpha Chi Sigma, committee chairman; Intramural tennis.

Steven Thomas Faser

St. Louis, Missouri

Tau Kappa Epsilon, pledge trainer; Coop program; Intercollegiate Knights; Toastmasters; Institute of Electrical & Electronic Engineers.

David Joseph Felin

Springfield, Missouri

Society of Automotive Engineers.

Bryan L. Files

O'Fallon, Missouri

Association of Computing Machinery.

John E. Finke

Jennings, Missouri

Rugby Club, vice-president, captain; American Society of Civil Engineers; Association of General Contractors; Engineers Club of St. Louis.

Daniel C. Finklang

St. Louis, Missouri

Eric James Finn

Hazelwood, Missouri

Institute of Electrical & Electronic Engineers; Coop program.

David Alan Fischer

Institute of Electrical & Electronic Engineers; Tau Beta Pi; KMNR "Milestone-Jazz til 3."

Brian Flaspohler

Glasgow, Missouri

Alpha Epsilon Pi, president, vice-president, secretary; American Society for Engineering Management; Alpha Phi Omega; Intramurals; Honor Roll.

Gregory L. Flieg

St. Genevieve, Missouri

Sigma Phi Epsilon, secretary; InterFraternity Council, president; Alpha Chi Sigma.

Yuk Fai (Kenneth) Fong

Hong Kong

Institute of Electrical & Electronic Engineers; Christian Campus Fellowship; Chinese Christian Fellowship, group leader; Intramural volleyball.

Kimberly Lynn Ford

Kansas City, Missouri

Tau Beta Pi; Omega Chi Epsilon; Intercollegiate Knights; Daughter of the Nile; Alpha Chi Sigma; American Institute of Chemical Engineers.

Keith Francis

Dexter, Missouri

American Society of Civil Engineers; Association of General Contractors, publicity chairman.

Warrensburg, Missouri

Rhonda LaSchell Franklin

St. Louis, Missouri

American Institute of Chemical Engineers; Association of Black Students; National Society of Black Engineers; Intramural sports; Track; Volleyball.

William Chris Frayser

Rolla, Missouri

American Institute of Aeronautics & Astronautics; Society of Automotive Engineers.

Thomas W. Freeman

Rolla, Missouri

James D. Frerking

Kansas City, Missouri

Football; M-Club; American Society for Engineering Management; Institute of Transportation Engineers.

Chris Martin Friedrich

Rolla, Missouri

Society of Automotive Engineers; Society of Manufacturing Engineers; American Society of Mechanical Engineers.

Ronald J. Frisse

Edwardsville, Illinois

Students for Students at UMR; Institute of Electrical & Electronic Engineers; Thomas Jefferson Residence Hall Association; Outstanding College Students of America.

Edward Thomas Fuchs Jr.

Kirkwood, Missouri

Institute of Electrical & Electronic Engineers; American Society of Engineering Management.

Charles R. Fugate Jr.

Blue Springs, Missouri

Phi Kappa Theta, alumni coordinator; Tau Beta Pi, recording secretary; Kappa Mu Epsilon; Missouri Society of Professional Engineers; Who's Who.

G

Jana S. Gabel
Florissant, Missouri
Independents, publicity chairman.

Nancy E. Gamel
Festus, Missouri

Andrew Joseph Gardner
Lee's Summit, Missouri
Phi Eta Sigma; Eta Kappa Nu; Tau Beta Pi; Phi Kappa Phi; Kappa Kappa Psi; 1988 Missouri All-State Collegiate Band.

Stuart J. Gardner
Rolla, Missouri
American Society of Civil Engineers; Big Brothers/Big Sisters of America; First Methodist Church of Rolla; Kappa Kappa Psi.

Carey Lamar Gatlin
Rolla, Missouri

Michele E. Geary
St. Joseph, Missouri

Susan M. Gentner
Clarence, New York
Lutheran Student Center, vice-president, secretary, treasurer; Chancellor's Leadership Class.

Nichole R. George
Springfield, Missouri
Chi Omega.

Cynthia L. Gereau
St. Peters, Missouri
Kappa Delta.

Richard Gilley
St. Louis, Missouri

Donald Eugene Glenn
St. Charles, Missouri

Douglas Goforth
Hillsboro, Missouri

Trent Lynn Goodnight
Freeburg, Illinois

Robert W. Graeler
Chesterfield, Missouri
Sigma Pi, vice-president, treasurer, house manager; Intercollegiate Knights, ASHRAE.

Steven D. Gramblin
Jefferson City, Missouri

Daniel L. Green
Rolla, Missouri
Association for Computing Machinery; Upsilon Pi Epsilon.

Ron W. Gregg
Kansas City, Missouri
Sigma Pi.

Allen S. Griffey
St. Louis, Missouri

Daniel J. Griffith
Florissant, Missouri
Eta Kappa Nu; Tau Beta Pi; Kappa Mu Epsilon; Phi Eta Sigma; Curator's Scholarship; National Residence Hall Honorary; Thomas Jefferson Residence Hall, executive vice-president; InterResidence Council; Blue Key; Coop ambassador; Student Knight.

David M. Grossen
Osage Beach, Missouri
Institute of Electrical & Electronic Engineers; Bowling Club.

Danial A. Gualtieri
McHenry, Illinois
St. Pat's Student Knight; *Missouri Miner*, copy manager; Cheerleader, captain; Institute of Electrical & Electronic Engineers; Homecoming committee; InterResidence Council; Residence Hall Association, governor; Society of Physics.

H

Richard Haar
St. Louis, Missouri
Pi Tau Sigma; St. Pat's float committee for TJHA; Society of Automotive Engineers.

Lynne P. Hackman
Manchester, Missouri
Phi Eta Sigma, historian, recording secretary; Thomas Jefferson Hall, secretary; InterResidence Council; Residence Hall Association; Tau Beta Pi; American Institute of Chemical Engineers, secretary; BACCHUS, charter president, treasurer; Resident Assistant; Lutheran Student Center; Intramurals; National Residence Hall Honorary, vice-president.

Thomas Carson Hodge

St. Charles, Missouri
Kappa Kappa Psi, president, vice-president, recording secretary, mid-west district secretary, treasurer; Omega Chi Epsilon; Tau Beta Pi; Phi Kappa Phi; UMR band; Pep band; Dow Chemical Outstanding Junior in Chemical Engineering.

Claudia Christa Hoeft

Union, Missouri

Jeanie V. Hofer

Salem, Missouri

John Charles Hoffman

Jefferson City, Missouri
American Society of Engineering Management.

Kimberly Ann Hoffmeister

Cape Girardeau, Missouri
Kappa Delta, president, secretary, editor; Panhellenic Council, secretary, treasurer; Blue Key, secretary; Tau Beta Pi; Phi Eta Sigma; Pi Tau Sigma; ASHRAE; Phelps County Panhellenic Scholarship.

Michael Anthony Holmes

Riverside, Missouri
Pi Kappa Phi, treasurer; American Society of Mechanical Engineers; Student Union Board, treasurer.

Mary Elizabeth Holtmann

Springfield, Missouri

Angelia S. Honse

Vienna, Missouri
Varsity Softball; Order of the Sun, treasurer; M-Club, secretary, treasurer; Phi Kappa Phi; American Institute of Aeronautics & Astronautics; Sigma Gamma Tau, president; Tau Beta Pi; Blue Key; Phi Eta Sigma.

Walter Brooks Hooper

Kansas City, Missouri
Phi Eta Sigma; Tau Beta Pi; Phi Kappa Phi; Pi Tau Sigma; Mechanical Engineering Honors Program.

Alan Hopkins

Richland, Missouri
Kappa Sigma.

Amy Diane Horst

Springfield, Missouri
American Society of Civil Engineers, special projects committee chairman; Chi Epsilon, secretary; Phi Kappa Phi; MSPE; NSPE; Curator's Scholarship; Chancellor's Fellowship.

Timothy Scott Howard

Sedalia, Missouri
Campus Crusade for Christ, president; Varsity soccer; American Society for Engineering Management.

Donald Edward Howser Jr.

Centertown, Missouri
Phi Kappa Theta.

Raenan Kay Huddleston

Rolla, Missouri

Michael Dean Hudson

Jefferson City, Missouri

Mark Hunter

Bridgeton, Missouri
ASHRAE, president; Pi Tau Sigma; American Society of Mechanical Engineers, treasurer.

I**Douglas J. Ipsen**

Cole Camp, Missouri

J**Daniel E. Jackson**

Festus, Missouri
Phi Kappa Phi; Tau Beta Pi; Omega Chi Epsilon, pledge trainer; Phi Eta Sigma; Residence Hall Association, vice-president; InterResidence Council; National Residence Hall Honorary; American Institute of Chemical Engineers.

Danika Rae Jackson

Oakridge, Tennessee
American Nuclear Society, secretary; Alpha Nu Sigma.

Richard Roy James

Steelville, Missouri

John Janchar

Kansas City, Missouri
American Society for Engineering Management; American Institute of Chemical Engineers; Intramural sports.

John Martin Jansen

Scott City, Missouri
Sigma Phi Epsilon.

John N. Jay

Crestwood, Missouri

Rex Warren Jenkins

St. Louis, Missouri

Daniel W. Jewell

Rolla, Missouri

Bruce A. Johnson

Joplin, Missouri

Timothy David Johnson

Fenton, Missouri
Beta Sigma Psi; Rolla Rural Volunteer Fire Dept; American Society for Engineering Management; Intercollegiate Knights.

Travis Johnson

Hillsboro, Missouri
Institute of Electrical & Electronic Engineers.

Allan D. Johnston

Newburg, Missouri
Amateur Radio Club, vice-president.

Matthew David Johnston

Washington, Missouri
Phi Kappa Theta.

James Brent Jones

Rolla, Missouri
KMNR; Independents; Student Council; Student Cabinet, ASSS.

Jennifer Marie Jones

Rolla, Missouri
KMNR, DJ, business manager, personnel manager; Independents; Association of Engineering Geologists; ASSS.

John Scott Julian

Independence, Missouri
Sigma Nu, rush chairman; Theta Tau Omega, inner guard, public relations; Institute of Electrical & Electronic Engineers; Society of Automotive Engineers; Trap & Skeet Club; Sigma Nu Intramurals.

Carl F. Jung

Fenton, Missouri
Varsity soccer, captain; Eta Kappa Nu; Institute of Electrical & Electronic Engineers; M-Club.

Marla Kay Jungling

Pleasant Hill, Missouri
Tau Beta Pi; Kappa Mu Epsilon; Society of Manufacturing Engineers; Chancellor's Student Cabinet; Mechanical Engineers Honors Program; Residence Hall, president, vice-president; Intramurals; National Residence Hall Honorary; Angel Flight, vice-commander, administration operations, public affairs; Pi Tau Sigma, recording secretary, treasurer; Collegiate Engineering Award; All-American Scholar.

K

Michael P. Keating

Florissant, Missouri
Theta Xi, secretary, vice-president; Student Council; Institute of Electrical & Electronic Engineers; Gamma Alpha Delta.

Michael Craig Keithly

Hazelwood, Missouri

Scott Joseph Kellerman

St. Louis, Missouri
Tau Beta Pi; Phi Eta Sigma; Kappa Mu Epsilon; Omega Chi Epsilon, treasurer, pledge trainer; Phi Kappa Phi; American Institute of Chemical Engineers; Intramurals; Curator's Scholar; Alumni Scholar; Honor Roll.

Kelly Denise Keran

Kirkwood, Missouri

Ann B. Key

Salem, Missouri

Joel A. Kilpack

Rolla, Missouri

Theodore J. Klefisch Jr.

St. Louis, Missouri
Institute of Electrical & Electronic Engineers.

Jason M. Klein

Springfield, Missouri

Kevin C. Klipsch

Sappington, Missouri
Association of Engineering Geologists, president; American Society of Civil Engineers, secretary; Veteran's Club, secretary.

Jeff Klump

Perryville, Missouri
Tau Beta Pi, vice-pres, secretary; Pi Tau Sigma, pres, vice-pres; Kappa Mu Epsilon, pres, vice-pres; Phi Kappa Phi; Phi Eta Sigma; Blue Key, vice-pres; Phi Kappa Theta, vice-pres, alumni coord, sec; Toastmasters, vice-pres; Intercollegiate Knights; American Society of Mechanical Engineers.

Stephen Eugene Koehr

St. Louis, Missouri
Beta Sigma Psi.

Kevin Kohm

Hillsboro, Missouri
Eta Kappa Nu; Tau Beta Pi; Phi Kappa Phi; Phi Eta Sigma; Intramurals; Lutheran Student Center.

Jeffrey L. Kohne

Washington, Missouri

John Michael Koly Jr.

Florissant, Missouri

Steven William Koop

Raytown, Missouri
Phi Kappa Theta; American Institute of Aeronautics & Astronautics; Sigma Gamma Tau; Tau Beta Pi; Gamma Alpha Delta; Society of Plastics Engineers; UMR Cooperative Education Association.

William P. Koppenaal

Waynesville, Missouri

Craig Korte

Highland, Illinois
Delta Sigma Phi; American Institute of Aeronautics & Astronautics; Tau Beta Pi; Sigma Gamma Tau; Knights of Columbus; Intramurals.

Affecting the Effects of Alcohol

Alcohol was an important issue at the U. M. R. campus this year. Counseling and Career Development offered a Substance Abuse Prevention Program (SAPP) coordinated by Dr. Carl Burns and Dr. Camile Consolvo. They offered a variety of written and audio/visual materials on alcohol and drugs throughout the year.

Alcohol Awareness Week was October 15-21. One of the events which took place during this week was the towing of a wrecked car onto campus. The wrecked car served to heighten the awareness of drinking and driving. A mock roadblock was also set up at which information was given out concerning the week's activities. Some of the activities featured mocktails, which are intended to take the place of alcoholic beverages.

On January 19 and 20 Delta Tau Delta alumnus Tim Stelljes conducted a program sponsored by the Delta Tau Delta Educational Foundation called DELTS. This was a six hour program designed by the Prevention Research Institute in Lexington, Kentucky. One purpose of the program was to provide information on how much and how often people can drink without a significant increase in their risk for alcohol related problems.

Alcohol issues were also addressed by many other campus organizations, including BACCHUS (Boost Alcohol Consciousness Concerning the Health of University Student) and campus wide committees.

Live from Centennial Hall the Flourescent High Tops student band performs at an indoor picnic which addressed alcohol issues.

COLOPHON

Volume 84 of the University of Missouri-Rolla ROLLAMO was prepared by the 1989-1990 ROLLAMO staff. The year-book covers events in the time period between June 1989 and May 1990. The 304 page book was printed on 100 pound paper by Walsworth Publishing Company in Marceline, Missouri.

The text type for the book is 10 point Optima. Captions are set in 8 point Optima and photo credits are set in 8 point Optima Italics. Heading types are from the Optima and Benguiat type families. All word processing was done with the Walsworth Publishing Company's Comtran software for copy editing and indexing.

The cover was designed by Tim Schwarz and Cathy Alofs and was finalized

by Walsworth Publishing Company. The cover material is slate grey leathertone # 902 with embossing, silkscreened and mylar finishes.

Varden Studios took the senior and faculty portraits. Most group pictures and candid photos were taken by ROLLAMO staff photographers. Black and white developing was done by ROLLAMO photographers in the staff darkroom.

The faculty directory was produced by the University of Missouri-Rolla News and Publications Office and printed by Walsworth Publishing Company.

Our Walsworth Publishing Company representative was Paul Magnin.

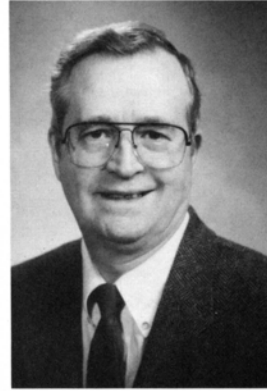

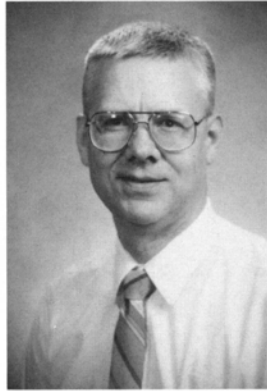

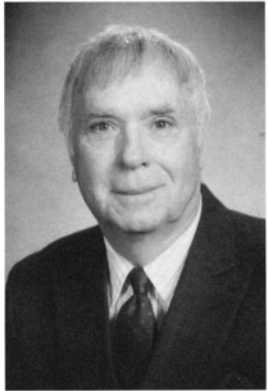

In Memoriam

This book is dedicated in memory of the following students who died during the 1989-1990 academic year:

Margaret Antoine
Kendall Link
Robert Dean Nelson
